

COOLIDGE OFFERS FLOOD RELIEF PLAN

STILL CHANCE TO DRAFT CAL AT G. O. P. MEET

If Deadlock Develops Between
Candidates at Kansas
City He May Be Named

MAY FORCE HIM TO RUN

Coolidge Failed to Say He'd
Refuse Nomination If
Offered by Party

BY DAVID LAWRENCE
Copyright, 1927, by Post Pub. Co.
Washington—President Coolidge
feels that he has done all that is
necessary to assure the country and
the leaders of his party that he is
neither an active nor a passive
candidate for the Republican
nomination. His personal wish
is not to run and he wants
his decision to be respected.

Mr. Coolidge said substantially
the same thing last August but
that was a statement to the press.
His latest pronouncement is in
person directly to the members
of the Republican national
committee, who between conventions
may be regarded as the organization
of the Republican party itself. Mr.
Coolidge served notice that he
wants other candidates to be sought.

All this does not change one iota
the situation which confronted the
Republican party last August. The
fact that a statement had to be
made was merely because many
people insisted on interpreting
Mr. Coolidge's statement
originally as leaving a loophole
for him to change his mind about
being a candidate. He was sincere
when he said he did not want to
run—and he is sincerely insisting
that he has not modified his position.

SILENT ON DRAFT

But all this has nothing to do
with what might happen at the
Republican national convention.
Now that no obstacle has been
put in the way of other
candidates getting busy, it is
mainly for each to develop
maximum strength. If the
convention should be
deadlocked or if after sifting up
all the candidates, it feels that
Mr. Coolidge is the best vote-getter,
he can be drafted. The fact that
Mr. Coolidge did not say he would
not accept if nominated is taken to
mean that if in spite of all he
has said about personal preference,
he still is strong enough to
defeat the nomination will surely
be made.

For a few weeks or more the
sentiment for drafting Mr. Coolidge
will die down but it will rise again
at convention time, for the leaders
know Mr. Coolidge is in an
admirable position to ward off
third-term opposition. What he
has said in his latest statement
clears the air so far as he is
personally concerned, but it is
strengthening the determination
of his closest friends to put his
name before the convention just
the same.

MAX FORCE HIM IN

To have a man nominated who
expressly refused to be a candidate
is always a strong point in politics
and the consensus of opinion among
the strong Coolidge men is that
the president has sincerely enough
taken himself out of any race but
the party will put him in if it so
desires. By those who are taking
the latest statement to mean that
the president is out of it altogether,
no explanation is given as to why
Mr. Coolidge didn't say he would
not accept if nominated. One idea
advanced is that Mr. Coolidge
thought it would be presumptuous
to assume that he would be
nominated. Another suggestion is
that Mr. Coolidge will decline if he
is nominated. But in view of the
effort to draft him ever since last
August, much significance is
attached to the statement
circulated among Mr. Coolidge's
staunchest supporters; namely,
that he does not feel he has the
right to pass on the nomination
question till it actually confronts
him.

Politicians of opposing parties
are saying, however, that Mr.
Coolidge knew that he uttered the
fateful sentence to the effect that
he would not accept if nominated,
and would really leave other
candidates without a reason for
hesitating. The upshot of it
all is that Mr. Coolidge has
set the pace. He doesn't believe
in seeking the presidency. Nor
does Herbert Hoover or Vice
President Dawes or Mr. Hughes. So
the race is about what it was
before the Republican
national committee met, and in
the absence of organized efforts
to get delegates, the chances are
no one candidate will develop
sufficient strength to have a
majority and the way may be
left open for the balloting
turn toward Mr. Coolidge as a
way out.

CONSIDER DEMAND FOR DANCER'S DEPORTATION

Washington—(AP)—After
considering the protest against
the right of Olga Miloff to remain
in the United States, Secretary
Davis Thursday ordered the
records sent back to immigration
service inspectors for re-
consideration. Madame Miloff's
deportation was recently
denied by the former Mrs.
Frank Lloyd Wright, a
widowed wife of the celebrated
Wisconsin architect, on the ground
that her conduct in the United
States had been such as to
break up the Wright family.

COLD GRIPS MIDWEST AFTER BLIZZARD

KANSAS CITY PARTY MEET SET JUNE 12

Wisconsin Loses Three Votes in Convention—Other States Receive Cuts

Washington—(AP)—The battle
of ballots for a Republican
presidential candidate to succeed
Calvin Coolidge will be waged in
the civic auditorium of
Kansas City beginning next
June 12.

Offering a foretaste of the
skirmishing likely to develop at
the convention, selection of the
Missouri city by the Republican
national committee came late
Wednesday on the twentieth
ballot. Although openly
supported by Chairman Butler
of the committee, Kansas City
won out only after a dogged
fight that at one time
found San Francisco just
four votes from victory.

The final vote was: Kansas
City 58; San Francisco 39;
Detroit 4; Chicago 1.

Selection of Tuesday, June 12,
for the opening day of the
meeting made it appear
certain that the Democratic
convention will follow that
of the Republicans. The
Democratic national committee
will meet here next month
to select a date, probably in
the last week of June.

APPOINT COMMITTEE

Exhausted by the day-long
deadlock, the Republican
committee members retired
when the final choice was
made, leaving to an
arrangements committee to
prepare Thursday the
final details of the convention,
including the designation of
a temporary chairman. The
committee did, however,
reapportion the number of
votes each state will have in
the convention.

Twelve states are affected by
the change, Alabama, Louisiana,
and New York losing one each;
Georgia, North Carolina and
Virginia losing two; Arkansas,
Oklahoma and Wisconsin
three; and Tennessee eight,
with Texas and Kentucky each
gaining three.

The committee on arrangements,
appointed by Chairman Butler,
includes Mrs. A. T. Horn of
Kentucky, Ralph Williams of
Oregon, and Mr. Hillier,
the three vice chairmen,
and David Mulvane of Kansas,
J. Henry Borah of Connecticut,
William H. Crocker of California,
Charles A. Rawson of Iowa,
Miss Bina N. West of Michigan,
Mrs. Manly L. Fossey of Minnesota,
and Mrs. W. M. Sinclair Levan of Ohio.

RHINELANDER DENTIST IS FINED FOR FALSE CLAIM

Madison—(AP)—Sam Cohen,
Rhinelander dentist, was fined
\$200 in U. S. District court
Wednesday for making a
false statement to the
government. He sent in
application for compensation
for treatment of a veteran
before performing the work,
and, according to his plea,
was unable to get the person
to be treated into his office.

John Clapper, former postmistress
at Minner, was fined \$725
after pleading guilty to
misappropriating U. S.
funds. She was granted a
week's stay of execution of
sentence.

John C. Cuff, Plattville, was
fined \$125 for sending
obscene matter through
the mails.

Richard Dreesen, Sauk City,
was sentenced to 45 days
in the house of correction
on a national prohibition
law violation count.

BROWNE WANTS \$50,000 TO PROBE POLLUTION

Washington, D. C.—Congress
was asked to appropriate
\$50,000 for the conduct of
scientific investigations by
the forest service to discover
economical practical methods
of disposal of waste materials
of pulp and paper mills
without polluting streams in
a bill introduced in the
house today by Representative
Browne of Wisconsin.

CALLES INVITES LINDY TO FLY TO MEXICO CITY

Washington—(AP)—The state
department was advised
Thursday that the embassy
in Mexico City understood
that President Calles had
extended an invitation to
Col. Charles A. Lindbergh
to make a non-stop flight
from New York to Mexico
City. Department officials
would not discuss the
project further than to say
that the Washington
government would, of course,
lend every assistance to
Colonel Lindbergh if he
desired to make such a flight.
While details are lacking,
it appears probable that
the flight, if made, would
be a triumph for the
aviator.

HINT AT TRADE WAR IF ROUTE 41 IS CHANGED

Council Hears Kicks on Re- location of Highway and Files Viaduct Order

A trade boycott against the city
of Appleton was threatened
by President Anton Jansen
of Little Chute Wednesday
night when he warned the
common council meeting in
the city hall that his village
would fight an effort to
have United States Highway
41 routed over a proposed
new road from the E. Wisconsin
ave grade crossing in
Appleton to McCarthy's
crossing east of Kaukauna.
The council heard the
order from the railroad
commission directing that
work be started on a
separation of E. Wisconsin
ave from the Chicago and
Northwestern Railroad
Co. and Wisconsin-Michigan
Lower Co. tracks and after
a discussion of the matter
the order was placed on file
without action.

Because of the advance
publicity given to the meeting
about every chair in the
council chamber was filled
by Appleton and valley
citizens. The meeting
started off quietly enough
and there was little action
until Mayor A. C. Rusk
asked for comment on the
viaduct matter.

Almeron W. H. Gmeiner
was the first to reply. He
stated in no uncertain
terms that he was convinced
the figures were extremely
high and could be materially
reduced. An item to which
he referred was the cost
incurred for drainage. "I
do not think that amount
should be included because
there is natural drainage,"
he said. "I also find that
the engineers have added
an extra 10 or 15 per cent
for extras and that becomes
a large amount when a
large expenditure is involved."

"It seems to me we should
take the engineer's figures
instead of our own opinions
on this matter because he is
closer in touch with the
situation than we," stated
Mayor Rusk.

"I was in that business for
many years although I am
in a better field now and
know what I am talking
about," Gmeiner retorted.

WANTS STATE TO PAY
Mayor Rusk said he was
not opposed to the viaduct,
as some of the citizens
and aldermen seemed to
believe, but was for the
project if he could be
assured the state would
live up to its promise of
paying one half of the
cost.

Alderman C. D. Thompson
gave hearty applause from
the audience by his
statement that "the viaduct
is being built for the safety
of citizens and we should
not squabble over the cost
as long as it means so
much to the residents of
the city."

"There is no reason we
should even discuss the
cost of this viaduct at
the present time," stated
Mark Cullen. "There is only
one way."

STATE MAY OFFER FIFTY SCHOLARSHIPS OF \$100

Madison—(AP)—The state
university board of regents
Wednesday night banned
the proposal of George L.
Hambrick, state director
of vocational education,
that not to exceed 50
scholarships of not more
than \$100 apiece be granted
to persons recommended
by the state rehabilitation
department.

The contract with Quaker
Oats company, under which
the state school is being
developed, was continued
to June 30, 1928.

Several other matters
pertaining to the state
school were considered,
and degrees were granted
to students who have
completed work outside
of regular commencement
periods and new
instructors were hired
and leaves of absence
granted.

FIRE DESTROYS CUSTOMS BUILDINGS IN MICHIGAN

Sault Ste. Marie, Mich.—(AP)—
Fire, caused by an over-
heated furnace, destroyed
the buildings of the United
States Customs and
Immigration service and
of the International
Travel company at the
Sault Ste. Marie, Mich.
The Michigan State
Fire Marshal, located about
25 feet from the
building, was saved by the
fire department, which
battled the blaze in a
heavy wind and sub-zero
weather.

TRAFFIC TIED UP ON RAILS AND HIGHWAYS

Mercury Slumps Suddenly After Wednesday's Storm— Several Lives Lost

Appleton and communities in
the northern part of the state
are digging themselves out
of the drifts resulting from
a nine inch snow fall during
the last 48 hours. No serious
inconvenience has been
reported as a result of
blocked roads and the high
wind which accompanied the
storm. A sharp drop in
temperature has resulted
in slight traffic delay, it is
said, and has caused several
telephone toll lines to snap.

Weather forecasts indicate
that this section will not
be troubled by snow
Thursday night or Friday
but the cold wave will
continue. The lowest
temperatures recorded
Wednesday night were 3
degrees below zero. The
mercury had gone up to
below at 9 o'clock
Thursday morning.

Transportation facilities
were returning to normal
Thursday and it was
expected that buses, trains
and interurbans would be
on schedule Friday morning.
Railroad trains from the
north and south were
reported from two to three
hours late up to Thursday
noon. The delay in this
mode of travel is due to the
cold weather, rather than
to heavy snows and drifts.
Interurban lines were
reported as running on
schedule by traction company
officials.

KEEP TRACKS OPEN

Traction company lines were
kept open during the storm
by keeping cars and plows
running throughout the
night. On the interurban
lines a big plow was put
into use while in the city
interurban cars replaced the
small city cars and a plow
on a truck kept the drifts
away from tracks. The
service was normal
Thursday morning.

Buses between Appleton and
Seymour, New London,
Waipaca, Manitowish and
Green Bay have suspended
operations. Late trips
Wednesday night found the
roads partially blocked
and they were closed during
the night. The drivers were
optimistic, however, and
expected the highways would
be open by Friday morning.

Nearby Menasha and
Kaukauna buses were running
within a few minutes of
schedule time Thursday
and had encountered little
delay because of drifts. These
routes had been kept open
during the night by traction
company snow plows.

SOME POLES DOWN

Telegraph and telephone
service was normal though
the latter company reported
toll lines down in some
places. These lines had
snapped from

NEGRO SLAYER IS TAKEN BY POSSE IN ILLINOIS

Rockford, Ill.—(AP)—Horace
Brown, 56-year-old Negro
entertainer, wanted for the
murder of William Woods in
a South-Elm roadhouse Saturday
night, was taken into custody
Wednesday and confessed
committing the crime, the
posse which caught him said.

Brown was arrested after the
posse had surrounded a house in
the Negro settlement, following
a tip that a stranger had
secured a room there
Tuesday. He at first denied
that he was Brown but when
asked to explain a cut on his
left hand, broke down and
admitted he was the man
for whom Winnebago and
southern Wisconsin
authorities had been searching.

The Negro claimed that he
stayed Woods in self-defense
during a quarrel which
followed when Woods
accused him of seducing
a woman, a white man, who
was with him. Witnesses of
the fight said that Woods
was unarmed.

Mayor's Lieutenant Faces Suit For \$100,000 Damages

Chicago—(AP)—Former
congressman John J. Gorman,
appointed by Mayor
Tamm to make an investigation
of pro-British taint in
Chicago school histories,
Thursday found himself
defendant in a \$100,000
damage suit brought by
Prof. Saville Muzzey of
Columbia university.

Muzzey charged the former
congressman "wickedly and
maliciously" attempted to
expose him to public
contempt and ridicule when
he reported that Muzzey's
histories showed evidence
of British influence and
betrayed the work of
foreign-born patriots of
Revolutionary times.

Meanwhile support of the
mayor and condemnation of
McAndrew came from
organizations representing
citizens of foreign extraction.
The Italian American
National union published a
resolution denouncing
McAndrew. It declared that
pro-British propaganda
is being for America the
friendship of the Latin
peoples of central and
South America.

Frank Piska, city solicitor,
in a letter to Walter J.
Raymer, member of the
school board, demanded
his resignation because of
his defense of McAndrew.
Piska contended that
McAndrew did not represent
the attitude of the Polish
citizens in his ward.

John P. McKee, exporter,
charged that mayor's anti-
British campaign had
lost to Chicago manufacturers
and exporters \$1,500,000
in Australian business.

A trio of English delators
was to visit Mayor
Thompson Thursday. Members
of the visiting debating
team were determined to
do their bit to change
the mayor's attitude
toward Englishmen, they
said.

At the trial session
Wednesday William J.
Grace, a member of the
city's committee on school
history, charged McAndrew
with suppressing a
motion picture by a group
of citizens. It contained
accusations against
unpatriotic, pro-British
text-books used in the
schools during the
administration of former
Mayor William Dwyer.

Confesses Slaying Mate After Tiff Over Party

Painesville, Ohio—(AP)—A
restless night in a county jail cell,
smoking cigarettes for
solace, was 21-year-old
Velma West's preparation
for facing a charge of
husband-slaying Thursday.

Mrs. West signed a confession
Wednesday that she had
slain her husband, Thomas
E. West, 26, Tuesday
night at their home in
Perry, Ohio, near here,
using a claw hammer and
a table leg for weapons,
and that she had then
noted to Cleveland to
keep a bridge party
engagement. The slaying,
she said, followed a
quarrel.

The arrest was made at the
Cleveland home of her mother,
Mrs. Catharine Van Woert.
Brought here, Mrs. West
was given no intimation
that she was suspected of
having knowledge of how
her husband had met his
death. After two hours of
questioning, Sheriff Ed
Rasmussen suddenly asked:
"Why did you leave the back
door open?"

Mrs. West seemed suddenly
wilted. Then, straightening,
she replied: "All right, I'll
tell the truth I killed
him after a quarrel."

The bridge party, to which
she had been invited by
Miss Mabel Young of
Cleveland, was the cause
of the quarrel, the
confession said. Her
husband did not want her
to go.

In their little bungalow at
Perry the argument became
heated, Mrs.

ASK REVERSAL OF HUGHES FINDINGS

Five Great Lakes States Draft
Plea in Diversion Case for
Supreme Court

Chicago—(AP)—A plea that the
United States Supreme court
reverse the findings of its
special master, Charles
Evans Hughes and grant
the suit to limit the diversion
of water from Lake
Michigan was drafted by
attorneys general of the
complainant lake states
Wednesday.

Ohio, Michigan, Minnesota,
Wisconsin and New York
were represented at the
conference. The attorneys,
meeting in closed council,
declined to make known
the grounds on which they
asked that Mr. Hughes' findings
be set aside. Newton D.
Baker, acting as a special
attorney for the state of
Ohio, said the bill of
exceptions would not be
made public until filed in
the federal supreme court
about Jan. 2.

In recommending dismissal of
the suit, Mr. Hughes also
sustained the right of the
states to bring the action
to protect their commercial
interests on the Great Lakes.
Attorneys attending the
conference included
Herman L. Elken, Roy T.
Jackson and H. H. Naujacks
of Wisconsin.

DEATH CAR DRIVER IS HELD FOR TRIAL

Coroner's Jury Blames
Clinton, Iowa, Man for Death
of Seymour Woman

A coroner's jury in Clinton,
Iowa, Wednesday afternoon
attributed the death of
Mrs. W. E. Daniels, Seymour,
Iowa, to the "original
negligence" of Edward W.
Voelkel, of Clinton, who
was held in bonds of \$5,500
to await preliminary hearing
on Dec. 13 on a charge of
manslaughter.

Mrs. Daniels, 34, was
burned to death Tuesday
night near Clinton when
the car in which she and
her husband were riding
was forced off the highway
by Voelkel's machine
and turned over.

Voelkel, former preacher,
said he was a bootlegger,
was said to have been
intoxicated, and his
companion, Miss Viola
Ledchoff, was arraigned
on that charge. It is
said Voelkel and Miss
Ledchoff refused to help
Daniels in his effort to
rescue his wife.

Mr. Daniels formerly owned
and operated an electric
light plant at Seymour,
leaving there about three
years ago. For the last
several months he has been
traveling through the
middle west states in the
interest of F. O. Lowden's
campaign for the presidency,
it is said.

Mr. and Mrs. Daniels lived
in Seymour for about 15
years and their summer
home on Mr. Daniels' farm
about three miles from
Seymour.

LUMBER FIRM EMPLOYEE LOST IN NORTH WOODS

Merrill—(AP)—Snow-covered
woods of northern Wisconsin
Thursday held the secret
of the disappearance of
Hans Westad, 40, missing
since Tuesday afternoon.
Starting out for a
lumber camp in the blinding
blizzard which swept over
this section, Westad
disappeared and searching
parties have attempted to
find him since Wednesday
night without success. New
Yorkers were organized
Thursday in an attempt to
find him. Westad was
foreman of the Kinzel
lumber company here and
left to visit the company's
logging camp No. 12.

PLANE UP IN ATTEMPT FOR ENDURANCE RECORD

San Francisco—(AP)—The
Spirit of California, 11-motored
monoplane, took off from
Mills field at 7:35
Thursday morning on a third
attempt to break the world's
endurance record by
circumnavigating aloft more
than 32 hours and 23
minutes. The weather was
said to be favorable for
the attempt.

The big plane was piloted
by Captain Charles Kingsford-
Smith and Lieutenant
George H. Pond, U. S. N., on
two previous occasions.
Weather conditions proved
adverse and a "tail
fin" of the plane forced them
to dump some of their
gasoline and abandon the
flight.

IOWA TRIO FACES COURT

JAN. 2 IN MURDER CASE

Iowa City, Ia.—(AP)—With
trial set for Jan. 2, two of three
Oxford residents indicted on
a charge of first degree
murder in connection with
the slaying of Miss Slezak,
Wisconsin alumnus, were
released from jail Wednesday
on bonds.

The Kinney posted \$25,000
security to obtain his freedom,
while John Guiter paid
\$20,000. These two were
Francis Donohue, the third
member of the trio alleged
to have killed Slezak, are
expected to ask separate
bonds. If defense attorneys
make this move, the state
indicated it will demand
that Kinney be the first to
go to trial.

ENGLISH ACTOR AND BRIDE ARRESTED FOR WILD WEDDING PARTY

Los Angeles—(AP)—Charged
by policemen with having
been drunk at a wild early
morning party in Hollywood
which was given to celebrate
their wedding, Pat Somerset,
English actor, and Shelby
Benson Worrall, his bride,
have taken separate ways
of account to the law for the
alleged escapade.

Somerset and his bride
obtained their release
Wednesday from the city
jail where they had been
held. The actor's admission
of guilt and plea that he
was celebrating his marriage
resulted in the court
suspending a \$50 fine. Two
friends and co-celebrators
paid \$20 fines. Mrs.
Somerset was released after
she had pleaded not guilty
and her trial had been set
for Dec. 14.

The arrest of the couple
was the wedding announcement
for most of their Hollywood
friends, for Somerset used
his true name, Patrick John
Sumner, in applying for the
license prior to the Tuesday
wedding and no one associated
that name with the English actor.

HOUSE GROUP FIXES CUT AT 232 MILLION

New Revenue Bill Shows Net
Loss of \$232,735,000 in
National Income

Washington—(AP)—The new
revenue bill will call for a
total cut in taxes of \$232,735,000,
instead of \$236,000,000
heretofore estimated by
members of the house
ways and means committee.

Chairman Green formally
advised the house of the
estimate Thursday in
report on the measure. The
new estimate is only \$7,735,000
above the maximum of
\$225,000,000 recommended
by Secretary Mellon.

The chairman said that
requests for reductions
aggregating more than
\$500,000 had been received
by the committee and that
it was "obviously impossible"
to make all of them.

The chairman's report
estimated that the total
reduction would be made
up of specific cuts in tax
rates as follows:

LIST OF REDUCTIONS

Reduction in the rate on
corporate incomes from 15%
to 12 1/2 per cent, a loss
in revenue of \$184,600,000,
which, with a loss of
\$12,000,000 as a result of
an increase from \$2,000
to \$3,000 in the exemption
granted corporations with
net income of \$25,000 or
less, would bring a total
loss of \$176,600,000.

Increased exemption from
75 cents to \$1 on admission
tickets less \$8,000,000.

Club dues tax, reduced
from 10 to 5 per cent, loss
\$5,000,000.

Automobile tax, reduced
from 3 to 1 1/2 per cent,
loss \$32,000,000.

Cereal beverage tax,
repealed, loss \$183,000.

Tax on the sale of wine,
reduced to pre-war level,
loss \$500,000.

Stamp tax on the sale of
transfer of capital stock,
reduced from 2 to 1 cent
on each \$100 of value, loss
\$8,000,000.

Stamp tax on the sale of
produce on exchanges, repealed,
loss \$33,000,000.

Total loss in revenue
\$232,735,000.

REVENUE INCREASES

Increases in revenue from
the following sources were
provided:

Withholding of the tax
on the source of tax-free
bonds, non-resident aliens
and foreign corporations,
\$2,000,000.

Prize fights, an increase
from 10 to 15 per cent in
the tax on admissions of
35 and over, \$750,000.

Foreign-built boats, an
increase in the annual tax
on such boats contracted
for after Dec. 1, 1927,
\$30,000.

Total increase in revenue
\$27,735,000.

"The plan adopted in the
bill and approved by the
majority of your committee,"
Mr. Green's report said,
"is believed to distribute the
burden as widely as possible,
apportioning the need
among the taxpayers where
the need seemed the greatest,
and at the same time endeavoring
to make it reasonably certain
that when the law went
into full force and effect,
it would not cause a deficit
in the treasury."

"In this connection it
should be borne in mind
that the full effects of the
law as proposed to be
modified will not be felt
until the fiscal year 1929.
This fiscal year, ending
June 30, 1928, will show a
large surplus, as less than
half the reductions proposed
will apply to it, and the
treasury is likely to receive
some large payments from
railroads."

House leaders hope to
have the measure taken up
Friday.

NINE MORE SENTENCED FOR BREAKING DRY LAW

Milwaukee—(AP)—Nine more
men received sentences for
violations of the prohibition
law when they appeared
before Judge P. A. Geiger in
federal court Wednesday
afternoon. Robert Alf, 36,
Shelby, Wis., was sentenced
to six months and fined
\$250. His brother, the
proprietor of the Hemlock
inn at Shelby, was
sentenced to a similar term.
Thomas Francis Hartland,
an ex-convict, and Homer
Belmont, Sing Sing, were
sentenced to three months.

296 MILLION REQUIRED TO CHECK RIVER

Proposal Limited to Lower Mississippi Valley from Cairo, Ill., to Gulf

U. S. TO PAY 80 PER CENT

Vare Fights for Seat in Senate—
Outlook Appears
Against Pennsylvania

BULLETIN

Washington—(AP)—A move to
prevent congress from appropriating
funds to pay for sending American
marines to Nicaragua and China
failed Thursday in the house,
when a motion toward that end
by representative Schafer,
Republican, Wisconsin,
proved futile.

Washington—(AP)—Placing the
full support of his administration
behind it, President Coolidge
Thursday transmitted to congress
the army engineers' plan for
controlling Mississippi river
floods.

The proposal deals with the
lower valley alone from Cairo,
Ill., to the gulf, and would
cost \$296,400,000 to be
expended in ten years. It
provides for a spillway about
New Orleans, diversion
canals footways in the
Atchafalaya and Tensas
basins in Louisiana, a
river-bank floodway from
Cairo to New Madrid,
Mo., the strengthening and
raising of existing levees
and the stabilization of the
River Channel.

The federal government would
bear 80 per cent of the cost
of the control project,
estimated at a total of
\$185,400,000 and all of the
\$111,000,000 expense for
stabilization and mapping
of the channel. The valley
states would assume 20 per
cent of the flood control cost.
The national government
now pays only 6 1/2-2 1/2
per cent of flood control costs.

WAIT FOR SURVEY

Although the lower reaches
of the Mississippi tributaries,
directly connecting with the
so-called alluvial valley,
are included in the plan,
the problem of controlling
the floods of those streams
is left for the future
until the army engineers
complete their survey
authorized by the last
congress. The construction
of reservoirs is deemed
"too costly" in proportion
to their value as flood control
measures.

The large cost of the project
"is manifestly justified," the
president declared, "by the
necessities of the situation
and the benefits that will
result." The plan is described
by Mr. Coolidge as "comprehensive
and appeals to me as being
adequate in its engineering."

The federal treasury should
bear its portion of the cost
of engineering structures for
flood control," continuing
Mr. Coolidge. "That is justified
by the national aspect of the
problem and the national
benefits."

The engineers' report was
signed by Major General Edgar
Jawdin, chief of army engineers.
Secretary Davis of the war
department, said, is plan
"seems to afford the maximum
of cost."

The recommended plan
"fundamentally differs from
the present project in that
it limits the amount of
flood water carried in the
main river to its safe capacity,"
the report said, "and sends
the surplus water through
lateral floodways."

VARE FIGHT ON

Washington—(AP)—The
Smith-Vare fight in the senate
became merely the
Vare fight Thursday, as the
senate began its round of
oratory preceding the vote
by which opponents of
William S. Vare of Pennsylvania,
were determined to deny him
the oath of office, as they
denied it Wednesday to
Frank L. Smith of Illinois.

These two senators-elect,
whose campaign expenditures
caused such a furor during the
last session, had seats
assigned them on the floor
from which to listen but they
were merely spectators.

Senator McLean, Republican,
Connecticut, took up the
cause of Vare at the opening
of debate Thursday.

"For more than four centuries,"
he said, "it has been the

CITY THREATENED WITH BOYCOTT IF HIGHWAY IS MOVED

Council Hears Kicks on Relocation of Route 41 and Files Viaduct Order

We can find out what it is going to cost and that will be by getting the bill from the contractors. We will pay then, as we have done in the past, and it is a waste of time to discuss the probable cost at this time. For my part, however, I do not think the viaduct should be constructed at this time, because of the city's financial condition. If we let every project of this kind go through, the tax rate for next year will be \$15 instead of \$13.

Alderman Philipp Vogt reiterated Thompson's views and asked the support of the remainder of the council in doing everything possible to hurry the construction program.

"CASEY" SHOWS FIGHT

Following the discussion by the members of the council, President Jensen took the floor and in no uncertain terms arrayed himself against the proposed relocation of Highway 41 on the north side of the city. Mr. Jensen preceded his opening statement by the remark "My middle name is fight and fight I will against every attempt to isolate Little Chute."

He stated that citizens of his village were in arms against the proposed change and at a meeting earlier in the week went on record as condemning any move to change the road so that the village would not be on the main thoroughfare.

"We are pioneers in this good roads movement in Wisconsin. We have worked incessantly to promote highways in this section and to change highway 41 will start a lot of trouble in the Fox river valley. Up to this time there has been perfect harmony. Appleton has its share of the highway money and we will not stand for another, especially when it means our own isolation. If Mayor Rule and the business men and officials of Appleton oppose us, we will do all we can to throw business to some other center. That is no idle threat because we mean to show that we do amount to something, small as we may be, and if we have a few of Appleton's factories in a few years we would show you a 'city' worth noticing."

READS RESOLUTION

After he finished his talk he read the resolution adopted by Little Chute. It follows:

"Whereas, the village board and citizens of Little Chute were pioneers in the good-road movement in this county and

"Whereas, to a great extent, it was through the efforts and taxes of the people of Little Chute and vicinity that Highway 41 was built and routed through this village, and

"Whereas, it is now proposed to the state highway commission by Mayor A. C. Rule and some of the aldermen of the city of Appleton to build a new road at the expense of hundreds of thousands of dollars from the city of Appleton to McCarthy's crossing on the north side of the right-of-way of the Chicago and Northwestern railway and reroute Highway 41 thereon, thus paralleling the present highway and cutting off this village and the city of Kaukauna from the benefits accruing from a trunk highway passing through these municipalities, and

"Whereas, these municipalities will be called upon to pay their share of the cost of said proposed new highway, the cost of snow removal, and the cost of repairs thereon without deriving any benefit therefrom,

"Now Therefore, be it resolved that the said action of Mayor A. C. Rule and aldermen from Appleton be and the same is hereby condemned as an unwarranted and unjustifiable invasion of the vested rights of the citizens of this village and of the neighboring municipalities, and

"Be It Further Resolved, that this village oppose the said proposal both before the state railroad commission and the state highway commission at Madison, and

"Be It Further Resolved, that a copy of these resolutions and resolutions be mailed to the state railroad commission and state highway commission."

Despite the discussion no action was taken except to file the order of the railroad commission and the state highway commission.

Mayor Spector, representing several local farmers who were present, asked information concerning an action which might be taken to stop the highway from being moved.

He was told by Mayor Rule and Alderman A. C. Rule that the highway would be moved.

Questions to determine on a referendum were made by F. P. Wittenberg and Dr. A. L. Reiter. Following a lengthy statement by Mr. Wittenberg, Alderman Spector told of plans for construction of a natural outdoor swimming pool on the south side of the village and suggested that the bill on the north side be completed as soon as possible.

STOP DUMPING

Trucks loaded at the loading of the lumber when a letter from Mrs. Clara Potter, 312 W. Oakdale, asking reimbursement of \$5 to the loss of the down payment made, was read. In her letter Mrs. Potter stated that the lumber had been destroyed by men employed by the city to cut down a lot owned by her. The bill had been presented at the board meeting of the council but was not allowed. Most of the men expressed willingness to pay the bill but were informed they could not legally do so and the matter was referred to the engineering committee.

Street improvement bonds totaling \$10,000 were awarded to the Appleton State Bank which agreed to pay a premium and 6 per cent interest.

Radio, 7 tube single dial, walnut finish console model, 62 inch air column horn built in. No batteries. \$175 complete installed. Puth Auto Shop, Phone 85.

FARMER REFUSES TO HELP TRUCKERS STALLED IN SNOW

There are two men in Appleton who probably will never have a good word for a certain farmer living on the Hortonville road following an incident which happened during Wednesday night's storm. A truck belonging to the S. C. Shannon company became stalled in heavy drifts along the highway about a mile north of the Triangle school. Finding further progress blocked, the truck driver and his helper walked nearly a mile through the driving snow to a farm house and asked if they might stay over night. They were refused and turned away "without even a cup of coffee or a bite to eat" as one of the men said. They finally were met at the Triangle school by a local taxi cab. The truck still is stalled in the drift.

WORK ON GAS LINE NEARLY COMPLETED

Recent Installation Is Part of Program to Extend Big Mains to Neenah

Installation of a new high pressure gas line from the Wisconsin-Michigan Power company gas plant to the present line on highway 41 via the Cherry bridge will be completed within the next few days. The new line of 6 inch pipe extends from the gas plant west on Water-st. up Jackson-st. as far as the Prospect-st. bridge and along Prospect-st. to Cherry, thence south and will connect with a line already laid over Cherry-st. bridge and continues on S. Cherry-st. to the present line on W. Foster-st.

Installation of the new line is part of the gas company's program to install a six inch pipe line to Neenah-Menasha to replace the present four inch line. A part of the company's line will be replaced each year. Gas piped to Neenah-Menasha at the present time is stored in a container in that city where it is distributed to parts of the two cities.

At the present time the gas line runs over the S. Oakdale-st. bridges and out W. Foster-st. Because of the pressure needed in this line, 35 pounds to the square inch, gas company patrons in the Fourth ward who have been supplied from the same line have had reducers installed in their homes to lower the pressure. Under the new system the reducers will be retained until a low pressure line can be completed to the Fourth ward.

TO START DEBATE WORK IN LOCAL HIGH SCHOOL

Twenty-three students of Appleton high school will try out for debate work during the year under the direction of Adam Aitchison. They are Merlin Pitt, Lawrence Osterhouse, Horace Davis, Marie Kessler, Marie Hatcher, Robert Mueller, Delmar Newton, Charles Peeterboom, Roy Marston, Maxine Fraser, Paul Hader, Ruth Cohen, Elsie O'Neil, Elsie Goodnick, Helen Totzke, Catherine Hanna, Leonora De Wolf, Lester Thiel, John Kerrigan, Aloysius Gage, Jeanette Johnson, Robert Rechner, and Jack Schlegel. Aloysius Gage is the only one who has served on the team previously.

STATE REFORMATORY UNDER QUARANTINE

Green Bay — The state board of health has declared the Wisconsin State Reformatory in a state of quarantine following the discovery of several mild cases of scarlet fever among the inmates. Sheriff and committing judges have been ordered to hold up all cases that involve sending persons to the reformatory until further notice.

New Hearing for The Deaf

Ear specialists in endeavoring to restore natural hearing have made a discovery that is proving a blessing to thousands. It is an ingenious, almost human device so highly perfected that it is meeting with the approval of specialists everywhere. Users report that with it distinct hearing may be enjoyed. What is most surprising is that something so marvelous can be made so small that it hardly can be noticed. The Dictograph Products Co., Suite 25-C, 150 No. Michigan, Chicago, want those who are deaf to convince themselves that they can hear again. Therefore they offer to send this amazing new device on 19 days free trial. Write them at once.

LETTER GOLF

Maybe you can go from KISS to LOVE in less than five word-changes, but that is par. See the solution on page 11. If you can't do it in five or less.

K I S S
L O V E

THE RULES

- 1.—The idea of letter golf is to change one word to another and do it in par, a given number of strokes. Thus to change COW TO HEW, in three strokes. COW, HOW, HEW, HEN.
- 2.—You can change only one letter at a time.
- 3.—You must have a complete word of common usage, for each jump. Slang words and abbreviations don't count.
- 4.—The order of letters cannot be changed.

SHORT TALKS BY THOUGHTFUL MOTHERS

A California (Long Beach) Mother speaks: "Only a mother who has passed through anxious hours of fear of group can appreciate our feeling of gratitude toward Foley's Honey and Tar Compound. It stopped Junior's dreadful hoarse cough. I coughed the very first night he took it and it was a great relief to see him drop into a quiet sleep. Since then, we have many times proven its reliability for coughs and colds." Good also for whooping cough. Sold everywhere. adv.

POLICEMEN VOTED INCREASE IN SALARY

Council Committee of Whole Decides to Raise Pay of Law Enforcement Officers

A proposed increase in pay for members of the police department was sanctioned by the committee of the whole at the regular meeting of the city council Wednesday night.

Before passing on the proposal, members of the committee investigated pay of policemen in other Wisconsin cities having approximately the same population as Appleton and found the figures contained in the new scale compared favorably.

Under the new schedule the chief will receive \$225 per month; the captain \$155 per month; sergeants, detectives and mechanics \$145 per month and patrolmen \$115 per month for the first year, \$120 per month during the second year, \$125 per month for the third year, \$130 for the fourth year and \$135 per month after that time. The increase to the officers is practically the same as last recently given city firemen.

LABOR COLLEGE HOLDS FIRST CLASS TONIGHT

The first class in Appleton Labor college will be conducted in the council chamber of the city hall Thursday evening. C. W. Campbell, Oshkosh, will have charge of the class in parliamentary practice. After a brief lecture on the subject the "pupils" will organize a meeting with one of their number as chairman and will put into practice the principles of parliamentary procedure as they are explained by the instructor.

SECOND SERMON SERIES

The second of the series of sermons on the Unpardonable Sin will be given at the 10:30 service at Trinity English Lutheran church Sunday morning. The Rev. F. L. Schreckenberg will deliver the sermon.

HARWOOD SPEAKER AT RIFON GRID BANQUET

F. J. Harwood, Appleton, a member of the board of trustees of Ripon college, was one of the speakers at the annual football banquet for Ripon college and high school athletes, sponsored by the Kiwanis and Rotary clubs of that city, Monday evening at Ripon. The feature of the banquet was a talk by Knute Rockne, famous coach of the Notre Dame football team, and the awarding of letters to both Ripon college and high school players. More than 300 townspeople, students, alumni and guests, the largest crowd to ever attend the event, were present at the banquet.

Other speakers of prominence were George A. Whitling of Neenah; Robert Kelf, Oshkosh Normal basketball coach and a former Ripon coach; George Lewis, director of ticket sales at the University of Wisconsin; Mayor L. C. Kellogg of Ripon; B. J. Rock, superintendent of schools; and the coaches and captains of the college and high school football teams.

Goitre Not a Disease

Milwaukee Doctor Makes Remarkable Discovery

Milwaukee, Wis. — It has been brought to light by scientific research that goitre is not a disease and is not to be treated as such. Dr. A. A. Rock, Dent. 429 Box 737, Milwaukee, Wis., a prominent goitre specialist for over 24 years, has perfected a different method of treatment for his patients that has proved remarkably successful. This same method is now being used for a home treatment of goitre cases all over the country with astonishing results. The Doctor states that goitre is a condition which grows worse with neglect and recommends immediate attention no matter how small the growth may appear. He strongly opposes needless operations. Dr. Rock is the author of a book that tells in a simple way about treating goitre at home. He has published this book at his own expense and will send a copy free to anyone interested. DISTRICT ENGINEER APPROVES FUND FOR RIVERS, LAKE WORK

Will Use Part of \$244,000 for Rebuilding De Pere Dam and Caring for Locks

Two hundred and forty-four thousand dollars for operating and caring for locks, dams and channels on the Fox and Wolf rivers and on Lake Winnebago has been approved by the district engineer in charge of navigation on these bodies of water according to A. F. Everett in charge of the department here. This includes the \$170,000 previously reported for maintenance and improvement of the Fox river. Part of this amount is for rebuilding the De Pere dam.

Winter activities under the local engineer's supervision are putting in illuminating and signal lights on Appleton locks and several others, laying of cement platforms in the Menasha and number four lock at Kaukauna, and the finishing touches on the new lock at Portage. Three cut off walls and two wing walls remain to be completed on this project. The lock will be ready for navigation in the spring.

The engineer's office reports that work on the Wisconsin Public Service company dam on the Wolf river north of Shawano is being rushed before cold weather sets in. Crews have been kept working nights and Sundays in order to get as much of the project finished as possible. A crew of about 50 men are working along the river bed removing stumps and trees which will be covered by water when the dam and power house are completed. This is in accordance with the terms of the power company's license as granted by the federal power commission. It is expected the men will have to remove stumps and trees for a mile upstream.

COUNTY LAGGING IN RED CROSS MEMBERS

The number of annual memberships for the American Red Cross up to date amount to 350, only one-tenth of what the county should total in order to bring its quota proportionately in line with other parts of the country, according to Dr. M. H. Small, chairman of the local Red Cross. Many of the centers throughout the county have not made recent reports, however, said Dr. Small.

The type has been set for the project of the various junior and senior high schools of the county—a social study of the American Red Cross. The copy has been written by students of the county. All the press work is being done by the printing classes of the Roosevelt and Wilson junior high schools.

TWO TRAFFIC ORDINANCE VIOLATORS ARE FINED

Carl Roesch, 1019 N. Superior-st., was fined \$1 and costs by Judge Theodore Berg in municipal court Wednesday morning when he pleaded guilty to a charge of failing to stop at an arterial highway sign. He was arrested Wednesday morning by Fred Arndt, motorcycle officer, at the corner of N. Oneida and Commercial-sts. Dick Pugh paid a fine of \$10 and costs Tuesday afternoon after he pleaded guilty before Judge Berg to a charge of speeding. He was arrested last Saturday on W. Wisconsin-ave. by Gus Hersekorn, motorcycle officer.

CHIEF WARNS AGAINST CUTTING FUNERAL LINE

A warning was issued Tuesday by George T. Prim, chief of police, to motorists to discontinue "cutting in" on funeral processions. Chief Prim stated several complaints had been received by the department that truck and automobile drivers disregarded the funeral procession's right-of-way and broke into the line. The chief points out a city ordinance prohibits such cutting in and he has instructed traffic officers to arrest offenders in the future.

WILL TEACH STUDENTS CHRISTMAS SEAL WORK

Educational features concerning the Wisconsin Anti-Tuberculosis Christmas seals will be introduced into the public schools Thursday and Friday. A skit entitled "Sour Milk Turned Sweet," written by Louise F. Brand of the Wisconsin Anti-Tuberculosis association, will be presented by Miss Margaret Keller and Aloysius Gage of Appleton high school before the high school Thursday afternoon, at McKinley Thursday morning, Roosevelt Friday morning, and Wilson Friday afternoon. Mrs. John Engel, Jr., is coaching the skit.

Each home room teacher at Appleton high school will have a supply of seals to be sold to the students. Teachers throughout the grades will have charge of the sale to the school children. The sale will continue in the schools until the Christmas vacation.

BUILDING PERMITS

The regular monthly meeting of Appleton Building and Loan association will be held at 7:15 Thursday evening in the offices of George H. Beckley, secretary. Applications amounting to \$20,000 will be acted upon at the meeting. Directors also will declare dividends for the last six months.

CHILD CAUGHT COLD -PNEUMONIA FEARED

Worried Mother Grateful as Clinic Shows How to Give Quick Relief at Home

A safe, sure method of treating colds—so pleasant children love it—is now being recommended for home use by physicians because of its splendid record in hospital, private practice and in so many Appleton homes.

Vast numbers of mothers here have found that it brings the same quick, sure and lasting relief that came to little Estelle, eight-year old daughter of Mr. and Mrs. Chas. Walker. She caught a severe cold while out playing on a drizzly day. Next morning her chest was tight, nose stopped up and temperature was high. By noon congestion was setting in her bronchial tubes.

Mrs. Walker called her doctor. He immediately ordered the child to bed and prescribed hourly doses of Ayer's Cherry Pectoral—a concentrated mixture of ingredients which hospitals have found to be the quickest, safest and surest to end colds. With the very first pleasant swallow she felt its comforting, healing warmth—from her nose passages deep down into her chest. Relief began immediately and in a day or so all traces of the cough and cold were gone.

Note: See other cases reported daily—all certified to this paper by the physician who treated each particular case.

Doctors find that this hospital medicine does far more than stop coughing instantly. It goes straight to the seat of a stubborn head cold or chest cold. Absorbed through and through the whole system, it quickly checks phlegm, heals irritation and drives out the cold from the nose passages, throat and bronchial tubes. Even sick children love the flavor—and mothers who have once tried Cherry Pectoral have been delighted to find that it keeps the whole family free from colds and catches all winter, if used according to the hospital directions in each carton. Endorsed by Schlicht Bros. Co. and all leading druggists.

SPORTS NEWS OF NEENAH AND MENASHA SOCIETY

NEENAH TAX RATE IS FIXED AT \$28 BY CITY COUNCIL

Aldermen Suggest to School Board That It Engage New School Architect

Neenah—The tax rate for Neenah was fixed at \$28.50 per \$1,000 with an added 12 mills on each of the three sewer districts, making the total rate \$29.50, at the monthly meeting of the council Wednesday evening. The assessments are: General fund, .00246; Street, Highways and Bridges, .00372; Industrial school fund, .00087; school fund, .00053; library fund, .00043; street lighting fund, .00087; pool fund, .00038; bridge, school and water works land fund, .00092.

Neenah—The council moved to recommend that the school board discharge J. P. Chubb, architect, and engage an architect who will prepare plans for a new high school which will come within the budget. This action followed a heated discussion relative to a recent visit of members of the council committee on education to a school board meeting, which was authorized by the council. Those voting for the recommendation were Aldermen Eberlein, Herziger, Martin, Schmidt and Stulp. Aldermen Laursen, Nelson, Tasmussen and Hanson were opposed.

TOO MUCH TIME

Those voting to discharge the architect were of the opinion that he had spent too much time drafting plans for the new school and that his figures were far too high and the plans had been rejected by the board which had again refined him to draw revised plans for a school which were presented to the board at its last meeting. The mayor was of the opinion that it was far too late to discharge Mr. Chubb and as the city was greatly in need of a new school it would not be advisable to take the time to go through the same proceedings. Aldermen Schmidt and Stulp, however, and board members Herziger, Tasmussen and Laursen were of the opinion that the school board was doing all in its power to secure right action on a new school.

The ordinance regulating parking and use of streets by automobiles was adopted with several additions including a provision to prohibit parking within 25 feet from a street corner or an arterial sign. An ordinance will be drawn prohibiting all buses from parking on the streets longer than three minutes. The mayor stated bus owners were considering purchase of a centrally located site for a terminal. Cars will be prohibited from parking on the bridges or parking longer than a half hour on Wisconsin or Commercial streets in front of the telephone office. Methodist church or beside Equitable Fraternal union building.

The proposed extension of the island sewer and erecting a wall along the north and east shore of the river below the dam to eliminate stagnant water close to Theda Clark hospital, was discussed at length. Plans have been drawn for the improvement and will be sent to Washington for examination. The proposed wall will extend from the hospital property to the Chicago and Northwestern tracks. An effort will be made to secure riparian rights from property owners who will be asked to stake out a line of their lots, the remainder of the property, out to the proposed wall, to be used by the city as a park or playground, providing the property owners will sign off. A resolution was passed to make application to the government to proceed with the wall and filling. A hearing will be conducted and the property owners given a chance to be heard.

People in the Fourth ward may be given bus service providing arrangements can be made by the Wisconsin Power and Light company which now operates buses between Neenah and Oshkosh in place of the interurban cars which had been operated on this service this part of the city has been without any service at all. Street lights were authorized at the corner of Augustine and Fourth streets and at Columbia and Oak-st.

An ice rink will be constructed at Columbia park and below the dam on the river this year and a place provided for the hockey team, the same as a year ago. Bills amounting to \$26,147.64, including approximately \$10,000 paid to the bank on taxes, were authorized paid.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosol which is pleasant to take. Creomulsion is a new medical discovery with ten-fold action: it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, laryngitis and other forms of respiratory disease, as is evidenced by the following: It is the best remedy for colds or flu. It is the best remedy for any cough or cold is not relieved after taking according to directions. Ask your druggist. (adv.)

HEAVY CALENDAR FOR PUBLIC SCHOOLS

Program Starts With Operetta by Children on Friday Evening

Menasha—The school program from now until the holiday vacation is well filled. On Friday evening, Dec. 9, at the Chute-st auditorium the grades will put on their annual operetta. This will take the place of the many Christmas programs ordinarily carried out in the buildings. However, each building will have a Christmas tree in the hallway and little Christmas parties will be given to keep with the spirit of Christmas.

Friday evening, Dec. 16, the Sophomore class will entertain the faculty, all high school pupils and junior high school pupils at a Christmas party. The local high school "Q" club will also present a one-act play.

At 2 o'clock Monday afternoon, Dec. 19, a motion picture and lecture on Alaska will be given for the grades and high school pupils.

Tuesday evening, Dec. 20, the annual gold medal declamatory contest will take place in the high school auditorium.

Friday evening, Dec. 23, the local basketball team will play their first conference game with De Pere at that place.

Thursday noon, Dec. 22, the local public schools will close for the holidays. Classes will be resumed Tuesday morning, Jan. 3, at the usual time.

ORDER SKATING RINK ON HIGH SCHOOL GROUNDS

Menasha—The board of education held a meeting Wednesday afternoon in the office of the city superintendent. Besides the routine business bids were opened for the new seats and lighting fixtures for the Butte des Morts school, basketball backstops for the gymnasium and for the printing of the high school annual, "The Nicot."

It was decided to accept the action of the city council for the cooperation of the council in building a skating rink on the high school campus thus allowing faculty supervision over the rink. Reports of the city superintendent, school nurse and attendance officer were submitted, approved, and placed on file.

Since a sum was placed in the school budget for a new wood planer for the manual arts shops, one-half of the total cost to be paid by the board of education and the other half by the vocational board as provided for in their budget, it was decided to install the machine at once, but to be paid for May 1, 1928. This will enable this year's classes to use the planer.

ANOTHER PRAISES SAFETY CAMPAIGN

Bank Cashier Declares Uncle Bob's Prayer Timely Warn- ing to All

Menasha—H. E. Langraf, cashier of the First National bank, on behalf of the officers of that institution, congratulates the Kiwanis club for the effort it is putting forth in making the streets safe for adults and children. Uncle Bob's prayer is a timely warning for all, he says.

Mr. Langraf's letter:

"Just a word of congratulation and appreciation from the Officers of this Bank for the efforts of your good club in behalf of our community.

"Keep out of the middle of the road." Uncle Bob's prayer, should be on the lips of each and every child in our good city. It is a timely warning, not only to them, but should also be heeded by every one. This is an undertaking of great merit and one which means much to our community.

"We hope your good club will continue this activity as part of your regular program each year.

COMPLETE PLANS FOR CHRISTMAS PROGRAMS

Other officers reelected were: Vice oracle, Flora Borenz; past oracle, Gertrude Foster; chancellor, Ada Herman; recorder, Nellie Smith; receiver, Julia Culler; marshal, Anna Lickert; sentinel, Marie Hahnert; outer sentinel, Maud Shaw; manager, Anna Seithamer; physician, Dr. W. P. McGrath; musician, Aggie Arno.

Menasha club gave a card party Wednesday evening at the clubrooms. Bridge was played and 15 tables were engaged. The honors were won by Mrs. W. G. Tilling, Harry E. England and Mrs. C. J. Oberweiser. Lunch was served. The committee in charge was composed of Mr. and Mrs. Hugh Strange, Mr. and Mrs. L. T. Jourdain, Mr. and Mrs. W. K. Gerbyck, Mr. and Mrs. G. M. Thompson and Mrs. John Strange.

RYE STRAW PREFERRED IN MAKING STRAWBOARD

Menasha—Norman E. Brokaw of the Menasha Paper mills company gave a talk on the manufacture of strawboard at the weekly luncheon of the Menasha Rotary club at Hotel Menasha. Among other things he said rye straw was preferred to all others, and that oat straw, which has a food value, cannot be used. The greater part of the straw manufactured into strawboard is shipped in from a radius of 75 miles and Mr. Brokaw said he expects to use Wisconsin straw entirely in the near future.

SCHOOLS HELPED BY ECONOMICS CLUB

Menasha—During the course of the year the Economics club has given the local school \$170 for different activities such as free milk for certain children, the splendid dental clinic and other corrective work. The local school officials feel that the public shown know of this cooperation and they appreciate it very much. At the present time, Mrs. Ida Watkins, chairman of the Welfare committee, is in charge of the Christmas seal campaign, and it is through this that part of the money has been available.

PROSECUTOR TALKS AT TWIN CITY MEETING

Menasha—F. B. Faeke of Oshkosh, district attorney of Winnebago-co, has accepted an invitation to speak at a citizens meeting of Menasha and Neenah city hall at 8 o'clock Wednesday evening, Dec. 14. His talk will be on the issue of the day before Winnebago-co.

Lack of funds has compelled Germany to give up completion of its housing program.

TWICE AS MANY BIRTHS AS DEATHS IN MONTH

Menasha—The monthly report of Dr. W. P. McGrath, health officer shows there were more than twice as many births during November as there were deaths and marriages combined. There were 19 births, 7 deaths and 8 marriages.

RECEIVE STATE AID FOR HIGHWAYS AND BRIDGES

Menasha—City Treasurer Carl Heckrodt received two checks amounting to \$3,257.11 Wednesday from the state highway commission. They represented state aid for highway and bridges in Menasha.

M'KINLEY BOYS FORM BOY SCOUT TROOP

A meeting of McKinley junior high school boys of scout age was held at the school Thursday morning and tentative plans laid for organizing a troop. Another meeting, the purpose of which will be to complete organization of the troop, will be held Friday afternoon after school. W. T. Fox, manual arts instructor, has been chosen scout master and will be assisted by Dale Schuppener, another member of the faculty.

The Austrian government plans to have 375 miles of its lines electrified by the end of 1928.

WISCONSIN WEATHER

Generally fair tonight and Friday; somewhat colder tonight in east portion; continued cold Friday.

WEATHER CONDITIONS

The storm area moving across the Great Lakes during the past 24 hours has developed intense energy with shifting gales over all the lakes, the wind in many places reaching whole gale force and well into hurricane force on eastern Lake Erie. The cold wave following is moving rapidly southeastward down the plains states and central valleys, with zero temperatures this morning to Kansas and Missouri and freezing temperatures to the western gulf coast. The intensity of the storm has prevented the full weight of the cold wave from spreading to the lake region, but it is now pushing rapidly eastward in the wake of the storm, promising slowly diminishing westerly wind and sub-zero temperatures in this section tonight and Friday.

STEIDL AGAIN HEADS HI-Y CLUB YOUNGSTERS

Clement Steidl was reelected president of the Hi-Y club at the regular meeting of the club Wednesday evening at the Y. M. C. A. Chester Thiede was chosen, vice president; Carleton Joth was reelected secretary; Tad Meyer was reelected treasurer; Michael Gochmauer was elected corresponding secretary, and John Doherty was named sergeant at arms.

Plans were started for a sleighride party for members and their ladies on Saturday evening. Frank Harriman was appointed chairman of a committee to arrange for programs by club members at the Riverview sanatorium this winter. The club probably will sponsor programs of instrumental and vocal music and novelties, by its members at the institution about every two weeks.

MAKE 104 CONNECTIONS TO CITY WATERMAINS

One hundred and four connections to the city water works mains were made during the month of November, according to the report of John B. Bauer, plumbing inspector, to members of the city council.

In addition, 38 permits to open trenches were given and \$105 collected in fees turned over to the city treasurer.

**BAND AND QUARTET
DRAW LARGE CROWD**

Big Attendance of Children
Feature of Concert at Memorial Chapel

Music lovers of Appleton came in large numbers to the 120th Field Artillery band, Tuesday evening at Lawrence Memorial chapel in any indication. Edward F. Mumm, director of the band, said the largest crowd at an indoor concert this season was present. The audience included many children and they were the best behaved group ever to attend a concert by the band, Mr. Mumm said. Because of the large attendance of children, plans are being made to set aside a special place in the chapel at the regular January concert for all musically-inclined youngsters.

Features of the concert were selections by the Nixon male quartet, composed of George Nixon, first tenor; Carl McKee, second tenor; Fred Nixon, first base; and William Johnson, second base, and the instrumental selections, "I Trowed the Vagabond King," The Wedding of Heine and Katharina and Columbus, the closing selection. The quartet opened with Just a Cottage Small and responded to three encores for the enthusiastic audience.

Selections from the opera, "Il Trovatore" opened the program, featured by excellent baritone work in the "Miserere" by Stephen C. Rosebush and a soprano solo part by A. L. Gmeiner, solo cornetist of the band. The Wedding of Heine and Katharina was especially well received and proved the need of a novelty or humorous number on a concert program. Because of its success the band will start work this week on another humorous novelty, "The Haunted House," also by Harry Alford, author of the wedding selection.

**KAUKAUNA MAN INJURED
WHEN CAR TURNS OVER**

Martin Alberts, proprietor of Badger Inn on Highway 41, north of Kaukauna, sustained three broken ribs and bruises and cuts about the body about 7:30 Tuesday evening near Potato Point on Highway 41 between Kaukauna and Appleton when the automobile he was driving turned over. The machine is owned by Henry McDaniels, Kaukauna. Alberts was on his way to Kaukauna and the accident occurred when he applied the brakes of the car and the machine skidded, turning over in the ditch. Alberts was taken to St. Elizabeth hospital here by a passing motorist whose name was not learned. He will be able to leave the hospital in a few days, according to the attending physician.

STOP BAD BREATH

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous cathartics do without any of the bad after-effects.

Olive Tablets bring no griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after 20 years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Take nightly for a week and note the effect. 15c, 50c, 60c. All drug-gists.

**SANDBURG, POET, IS
MAN OF MANY JOBS**

Lecture-recital Will Be Held Here Under Auspices of Teachers Association

Carl Sandburg, modern poet of Chicago, will give a lecture-recital Jan. 18 at Leabody hall under the auspices of Appleton Teachers association.

Mr. Sandburg quit grammar school at the age of 13 and began driving a milk wagon in Illinois prairie blizzards. His formative years were spent working in brickyards and potteries, and riding "rattlers" to Kansas wheat fields, where he swung a pitchfork at the threshing machine. He later worked his way through Lombard college, Galesburg, Ill.

He has washed dishes in Denver hotels, shoveled coal in Omaha, and saw active service during the Spanish-American war in Porto Rico as a member of the sixth Illinois volunteer infantry. At the time of the World war he represented a newspaper syndicate in the Scandinavian countries. He enjoys newspaper writing as a craft, the writing of poetry as an art and religion.

He plays the banjo, is acquainted with the rigmorale of the ocarina, and has a large repertoire of Negro ballads and spirituals which he sings. He averages five hours sleep a night. Is a long distance hiker, eats in one-man lunchrooms, always has his pockets full of clippings and manuscripts, gets letters from vagabonds and missionaries the world over, and has two of his poems included in Martha Foote Crowe's "Anthology of Christ Poems."

pany but failed to notify it of the accident within five days, as required by his policy. Miss Corwin brought suit for \$5,000 against the company in circuit court at Waupaca and her suit was dismissed because of Salter's failure to notify. The supreme court reversed the circuit court decision.

**CAR STOLEN HERE IS
RECOVERED IN ST. PAUL**

A Ford sedan stolen from its parking place near St. Joseph church here early in November has been recovered by police in St. Paul, Minn., according to word received by police here Wednesday. The machine was owned by Frank Bash, Hortonville. According to the letter from Mr. Bash, the car was found in St. Paul on Nov. 26 and it has been returned to him.

**Home-made, but Ends
Coughs In a Hurry**

A family supply of dependable cough medicine. Easily made and saves about \$2

If you have a severe cough or chest cold, with soreness, throat tickle, hoarseness, or difficult breathing, or if your child wakes up at night with a hoarse cough, and you want quick help, try this reliable old home-made cough remedy. Any druggist can supply you with 2 1/2 ounces of Pinex. Pour this into a pint bottle and fill the bottle with plain granulated sugar syrup. Or use clarified honey. If desired, This makes a pint of really remarkable cough remedy. It tastes good, and in spite of its low cost, can be depended upon to give quick and lasting relief.

You can feel this take hold of a cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and heals the irritated membranes of the throat and bronchial tubes with ease and promptness that is really astonishing.

Pinex is a special and highly concentrated compound of genuine Xop, way pine extract and palatable guaicol, and is probably the best known means of overcoming severe coughs, throat and chest colds.

There are many worthless imitations of this mixture. To avoid disappointment, ask for "2 1/2 ounces of Pinex" with directions. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

Wonderful Effect of Nurito that Actually Enables the Helpless to Go Back to Work

WE GUARANTEE IT

Rheumatic sufferers are certainly going wild with joy at the discovery of Nurito. For the first time they have found something they can absolutely depend upon to rid them of the pain of rheumatism, sciatica, lumbago, neuralgia or neuritis. And to make it more emphatic, if it doesn't drive away the worst pain with two or three doses we will refund your money. A New York specialist was finally induced to put up his famous prescription as a great public benefit. It works like a charm, fast and powerful, but harmless even to children, no opiates or other narcotics. By all means make a trial of this remarkable prescription that gets the helpless out of bed, sends them back to work, happy and free.

New Officers Are Elected By Rebekahs

New officers for the coming year were elected at the meeting of Deborah Rebekah Lodge Wednesday night in Odd Fellow hall. Miss Maude Van Ryzin was elected noble grand; Mrs. Lillian Bruns, vice grand; Mrs. Mamie Patterson, secretary; Miss Laura Dohn, treasurer; Miss Myrtle Van Ryzin, financial secretary; Mrs. Alice Lalph, recommended for deputy; Mrs. Lillian Bruns, staff captain; Mrs. John McCarter, trustee for three years. Installation will be held at the first meeting in January.

Final plans for the Christmas party to be held Saturday night were discussed at the meeting. The party will be for members of Deborah Rebekah Lodge and their families. The children will present a program of songs, music and recitations after which a Santa Claus will distribute gifts and candy. A lighter Christmas tree will be an added feature of the party. All those who attend the party are to take an inexpensive toy. Mrs. Mildred Full is chairman of the committee in charge of arrangements. Other members of the committee are Miss Mable Younger, Miss Edith Van Stratum, Mrs. Caroline Miller, Mrs. Lola Olson, Miss Eva Bushy, Mrs. Wesley Latham, Mrs. Bertha Segel, Mrs. Lucy Younger, Mrs. Carrie McCarter, Mrs. Fannie Spencer and Mrs. W. S. Patterson.

A committee consisting of Mrs. Belle Hart, Mrs. E. C. Smith and Mrs. Anna Jackson was appointed to secure gifts for children at the Odd Fellows home at Green Bay. Mrs. Mildred Martin and Mrs. Moll Finkle were appointed on a committee to prepare baskets for the "Shut-ins" and to send Christmas greetings to members who are out of the city.

Initiation of a class of candidates will take place at the next meeting of the lodge on Dec. 21. Mrs. Mildred Martin was appointed chairman of the committee in charge of refreshments to be served following the meeting.

TRADE SCHOOL DRAMATIC CLUB PRESENTS PLAY

The children's play, "The Sleeping Beauty" will be presented at a matinee at 2:30 Saturday afternoon at the Playhouse of Appleton Womens club under the direction of Miss Elvior Strickland, dramatic director of the club. The second performance will be given at 8:15 Monday evening at the playhouse. The play is being given by the Vocational School Dramatic club.

Patronesses of the play are Mrs. Bertha Barry, Mrs. Herb Holte, Mrs. Maurice Peerenboom, Mrs. John Morrison, Miss Ida Wunderlich, Miss Christine Door, Miss Pansy Tash, Mrs. W. R. Challenor, Mrs. E. P. Chandler, Mrs. L. J. Marshall, Mrs. S. C. Shan, non, and Mrs. L. C. Sleeper.

SOPHOMORES HOLD CLASS PARTY

The annual class party of the Sophomores of Appleton high school will be held from 8 o'clock to 11 o'clock Friday evening in the corridors of the school building. A Spanish dance, a clog, a humorous duet, and a reading will be the novelty features of the dance.

The Broadway Entertainers will furnish the music. Aroniel Bieleke has been appointed chairman of the refreshments committee. Miss Edna Benson is faculty chairman. Mr. and Mrs. Harry Cameron and Mr. and Mrs. Orlando Skindrud will act as chaperones.

G. D. Ziegler, president of the Aid Association for Lutherans, left Wednesday for a business trip to Nashville, Tenn.

BIG COMMITTEE IN CHARGE OF EAGLES PARTY

Assistant committeemen for the annual Eagle Childrens Christmas party to be held Sunday evening, Dec. 25 at Eagle hall, were announced at the meeting of Fraternal Order of Eagles Wednesday night by Nels Galipeau, general chairman of arrangements for the party. Those on the committee are Peter Lademacher, John Jansen, Ernest Feavel, Elmer Koerner, Walter Shepard, Martin Boldt, Joseph Huebeler, Frank Huntz, Mrs. Paul Schroeder, president of the Ladies Auxiliary of Eagles, is general chairman of the ladies' committee which will assist the men's lodge with arrangements.

A meeting of the committees will be held at 2:30 Saturday afternoon at Eagle hall to make final arrangements for the affair. The feature of the party will be a program given by children of members of the aerie. Children up to the age of 12 years who wish to take part in the program are to fill out the coupon which will appear in the Post-Crescent Friday evening, and send it to Eagle hall before Dec. 23. Each coupon should have the name address and age of the child, and whether he will give a recitation, song, musical selection or dance.

Plans were discussed for the meeting next Wednesday night when a class of 10 candidates will be initiated. The drill team of the drum and bugle corps will assist with the initiation. Plans will also be discussed at the meeting for the annual New Year party.

MEMBERS OF TWO CLUBS AT LECTURE BY COLLEGE MAN

Twenty-two members of the West End Reading club and of the Fortnightly club attended the joint meeting Wednesday afternoon at Main hall, Lawrence college, when Dr. Louis Baker, professor of Romance languages at the college, gave a lecture on Emile Augier and his works. Dr. Baker illustrated his lecture with a reading, "The Son-in-law of M. Poirier."

The next meeting of the West End Reading club will be a Christmas party on Dec. 21 at the home of Mrs. James Wood, 402 E. Washington-st. Mrs. A. F. Tuttle and Mrs. Lillian Baker Rossman will be assistant hostesses. Mrs. George Peerenboom and Mrs. A. A. Trever will have charge of the program.

The Fortnightly club will hold its next meeting on Dec. 21 at the home of Mrs. Eva Morse. Mrs. Carnecross will read, "The Son-in-law of M. Poirier."

Beautiful gifts, practical articles—Methodist Bazaar, Friday, Dec. 9th, all day.

CLUB MEETINGS

Miss Katherine Wood entertained two tables at bridge Tuesday evening at her home in State-st. Prizes were won by Veronica Letter and Leila Van Heuklon. Miss Luella Roesch will be hostess to the club next week.

Eight lady Eagles attended the regular social meeting Wednesday afternoon in Appleton Womens club Playhouse. Prizes were won by Mrs. George Durdell, Mrs. Joseph Boelsen and Mrs. George Hogreiver. Monthly guest day will be observed next Wednesday afternoon. The party will be held in the Womens clubrooms. Mrs. Edward Lehman is chairman of the committee in charge of arrangements and will be assisted by Mrs. George Durdell, Mrs. A. Treher and Mrs. Peter Van Roy.

Nine members of the German Ladies Aid attended the regular meeting Wednesday afternoon at the home of Mrs. Albert Kreiss, 512 N. Appleton-st. No special business was discussed.

Mrs. Elmer Jennings, 312 E. Alton-st. will be hostess to the Over the Teacups at 2:45 Friday afternoon. Mrs. R. K. Wolter will give a reading. Mrs. Homer Denton will give a book review and Mrs. W. H. Killen will read current events, according to the year book.

CARD PARTIES

Bridge will be played at the first of a series of four open card parties by Appleton Business and Professional Womens club at 8 o'clock Friday night at the clubhouse. Miss Rena Courtney is chairman of the committee in charge of arrangements. Other members are Hattie Stern, Irene Reinke, Lynda Hollenbeck, Catherine Nooyen, Isabelle Milhaupt, Anna Sullivan, Rose Lieben, Alice Waters Jones, Wava Erouhard, Gertrude Bidwell, Mable Burke, Margaret Goss, Marie Stride, Mrs. Den Boldt, Esther Madisen and Luin Duwel.

CAMPUS CLUB TO ENTERTAIN AT DINNER PARTY

A White Elephant Christmas party for members of the Campus club of Lawrence college will be held Saturday evening at Russell Sage. Dinner will be served at 7 o'clock followed by a program of Christmas songs and carols, and Christmas readings.

Miss Anna Tarr is chairman of the committee in charge of the dinner and Miss E. R. Wisner, chairman of the entertainment committee. The campus club is composed of women members of the faculty and wives of faculty members.

WOMEN OF C. O. F. TO SEND BASKETS TO POOR FAMILIES

Dr. C. E. Ryan installed new officers of the Ladies Auxiliary of Catholic Order of Foresters Wednesday night in Catholic home. Mrs. Otto Wolter was installed president; Mrs. Gustave Keller, vice president; Mrs. Frank Chaser, secretary; Mrs. Leo Rechner, treasurer; Mrs. P. J. Vaughn and Mrs. C. D. Heckel, conductors; Mrs. William Schultz and Mrs. Josephine Kavanagh, sentinels.

Bills amounting to \$125 were allowed. Plans to send Christmas baskets to poor families in Appleton were made. A social hour was held after the business session. Prizes were won by Mrs. Reinhard Wenzel at bridge and by Miss Bonnie Heibel at schafkopf. Mrs. Leo Rechner and Mrs. Theodore Myse had charge of the social.

Reports were given on the meeting of the Green Bay Apostolate society held in November at Green Bay.

BIG AUDIENCE IS PLEASED BY CONCERT HERE

Louis Graveure, popular baritone, sang a delightful program before a large audience in Lawrence Memorial chapel Wednesday night as a number of Appleton Community Artist series. The audience was rather slow to warm up to Mr. Graveure this visit but he was practically unanimous agreement that he possesses a splendid voice and sang an excellent concert.

Mr. Graveure's program probably lacked some of the popular appeal that characterized his first appearance in Appleton several years ago but his encore numbers, several of them request songs, pleased his audience mightily.

Graveure has excellent control of his voice and has a well developed sense of showmanship.

He was particularly pleasing to the songs of the ballad type and his humorous songs were thoroughly enjoyed. His singing of "Mary" in his final group and his encore number, "Songs My Mother Taught Me," by Dvorak, were especially well sung and were greatly appreciated.

COUNTRY CLUB GIVES ANNUAL YULE PARTY

The annual Christmas party of Riverview Country club will be held Dec. 28, in Castle hall. The party will be in the form of a dinner dance. Invitations for the affair will be sent out within a week or two.

The committee in charge of arrangements for the party consists of Mr. and Mrs. Paul Strange, Mr. and Mrs. T. M. Gilbert, Mr. and Mrs. Mory Smith, Mr. and Mrs. Frank Jenkins, Mr. and Mrs. Raymond Peterson and William Buchanan.

PARTIES

Miss Norma Schroeder was guest of honor at three pre-nuptial parties during the past three weeks. Miss Margaret Gloss, 538 N. Garfield-st, entertained four tables at bridge and dice in honor of Miss Schroeder. Prize winners were Miss Lee Bessler and Miss Marjorie Davis at bridge and Miss Margaret Casper and Mrs. Harold Fraser at dice. Miss Dorothy Schroeder entertained five tables at bridge and dice at an electric shower in honor of her sister and Mrs. Herman Schade, W. Packard-st, entertained 32 women at an aluminum shower. Miss Schroeder will be married Friday.

Mrs. William Bailey, S. Story-st, entertained 12 guests at a miscellaneous shower Wednesday night at her home for Miss Mildred Brandt who will be married soon to George Steuber of Kaukauna. Dice was played and prizes were won by Mrs. William Schultz, Mrs. George Peotter and Mrs. Emil Belling.

The "Blue Streaks" were entertained Tuesday evening at the home of Miss Anna Oudenhoven, 524 W. Lawrence-st. Bridge was played and prizes were won by Miss Marie Bunks and Mrs. Jo Loveland.

MINISTER TELLS OF HIS EFFORTS IN HOSPITALS

The Rev. Enno Duemling of Milwaukee, gave a talk on his work in the hospitals and sanatoria in Milwaukee and in the prison at Waukegan at the weekly advent service Wednesday evening at Mt. Olive Lutheran church. This was the first of a series of lectures to be given under the auspices of the Senior Olive Branch Walther league of the church. Mr. Duemling's subject was "Ministrations to the Afflicted, the Sick and the Unfortunate."

The Rev. William Grother will give the second lecture of the series on Jan. 19. His subject will be "Pay the Price." The last of the series will be given by the Rev. E. Krause, pastor of Immanuel Lutheran church at Sheboygan on Resurrection Sunday.

LODGE NEWS

Nine tables were in play at the regular monthly visiting day of the Ladies Auxiliary of Eagles Wednesday afternoon in Eagle hall. Prizes were won by Mrs. Joseph LaFond, Mrs. Edward Knaack and Mrs. W. Brandts at schafkopf and by Mrs. J. L. Fowler at dice. Election of officers for the ensuing year will take place at the meeting next Wednesday afternoon.

CHURCH SOCIETIES

CHRISTMAS TIME

When Company Comes

Of course you want your home looking at its best, but if the wall paper is old and the walls need redecorating the rooms never seem just the way you want them.

Nothing adds so much to a room as pleasing, colorful new wall paper. It is like raising the curtains and letting the sunshine stream into a darkened room.

There is a growing tendency among homeowners to have rooms re-papered during the late fall and winter months. Most homes are kept at an even temperature by furnace heat so that re-papering is done at a minimum of trouble and expense.

Look at your walls today. Then, whether or not you are ready to buy right now, come in and let us show you the finest in wall decorations.

"WAY OF ALL FLESH"
RETURNS FRIDAY
"The masterpiece of the motion picture maker's art. An epic of the life of a common man that combines the delicacy of a Rembrandt, the sweep of a Velasquez, the power of a Wagner and the dramatic touch of a Victor Hugo."

"These are the words spoken in praise of 'The Way of All Flesh,' which played at Fischer's Appleton theatre early in November for three days and in answer to many requests is being returned for a one day showing Friday."

Critics have declared that the thing most impressive about "The Way of All Flesh" is its luminousness, its dramatic simplicity and the vividness of its central character as played by the man who made "The Last Laugh" and "Variety" what they were. Jannings himself considers it the finest effort of his life.

given him by Paramount Famous Lasky. Belle Bennett, the wife, heads the featured cast. Miss Bennett's "Stella Dallas" is one of the screen's never-to-be-forgotten characters. Another who gave up her starring rights for the Jannings picture is Phyllis Haver, considered by many the most beautiful blonde in America. Others in the cast are of equal importance and ability, notably Donald Keith and Fred Kohler.

The picture was directed by Victor

COEDS SELECTED FOR COLLEGE DEBATE TEAM

Seven Lawrence college coeds, three of whom were members of the varsity women's debate team last year, the first in the history of the college, were chosen to make up the debate squad for the present school year at the annual try-outs this week, held by Coach Bruno Krueger.

The new debaters include, Misses

Ella Grimmer, Green Bay, Bertina Greenberg, Appleton, Genevieve Burr, Oshkosh, and Jane Kollock, Wausau. Work will begin at once, and a schedule of contests is being arranged for the speakers against college teams in Wisconsin, Michigan and Illinois. The question concerns the matter of the federal conscription of wealth and profits, in time of war.

LIFE AT CAPITAL PAINFUL AT TIMES, WRITER DECLARES

Says Washington Is Play-ground of Scheming Blue Noses and Uplifters

BY RODNEY DITCHER

Washington—One way or another, the average resident of the District of Columbia is always getting it in the neck.

Here the poor dog, on which all sorts of experiments are being made, is being tried out. The afflictions range from some of the most awful imaginable to the usual ones which die after a few days here without ever seeing New York to the present badgering of the theater man's worst enemies, the Blue Law advocates.

Whenever a citizen or group of citizens wake up in the middle of the night with a new scheme for improving the human race through further regulation, be it on the subject of collecting money for train fare and dash off to Washington to put the scheme into operation.

The theory is that because Congress governs the District of Columbia without any help from Washington, the people here can be made to stand for more than other folks. Reform waves spread quicker in they can dig their toes in these sacred precincts and once Congress passes a law for the district it's much easier to get it to pass a similar law for the rest of the country.

The fact that Congress has cooperated so amiably in helping to prove that theory is partly responsible for the contempt in which it is held here on its home grounds. The system permits a congressman who may be guilty of all sorts of unethical practices to go back home and point to a public record of righteousness. It's a great favorite for those who know that their districts are hotbeds of liquor and intolerance.

Such congressmen, with an eye to the blue nose vote, will again train loud speakers on the helpless populace during the 70th Congress, when the Lankford Sunday closing law bill is brought up again.

The Lankford bill, which was written by a Sunday closing reform organization headed by Rev. Harry L. Bowdler, would bar Sunday movies, Sunday baseball, other amusements and labor except that of "necessity and charity."

Representative Lankford, a former city judge in Douglas, Ga., says that Washington is the nation's "Sodom of ungodliness." His bill was a perennial here and caused no excitement until the last Congress, when hearings on it were held for the first time.

It was at one of these hearings that Congressman Tom Blanton of Texas assaulted Congressman Sol Bloom of New York, after which Rev. Bowdler is alleged to have attacked the committee stenographer and to have joined with Blanton in kicking an anti-blue law man as he lay helpless on the floor.

Apparently because of the heckling by Blanton and his friends of clergymen and others who appeared against the Lankford bill the hearings were one long bedlam.

This year the blue law proponents

are more confident than ever about the only fact that Washingtonians have no vote would seem to hold any hope that Congress would pass such a bill.

The opposition has been led by the National Association of Opposed to Blue Laws, which promises to run, on a group of nationally prominent men to appear against the Lankford bill when hearings are held the next Congress. The organization, the Lord's Day Alliance, has been running a war of attrition on the A. G. B. L. to denounce it as "the League Lobby" employed by "The Big Game Trust."

The association's president is Dr. Joseph A. Hemper, a dentist, and its secretary-treasurer is Linn A. B. Gale, a newspaperman. Clarence Darrow is its chief counsel and its honorary vice presidents include Sinclair Lewis, Rupert Hughes, Governor Hunt of Arizona, Dr. Haldeman-Julius and Bishop William Montgomery Brown. It has branches in some 20 states and has fought a number of local and state battles in the past.

The A. G. B. L. feels that passage of the Lankford bill would give the reformers a sort of foothold on the rest of the country. Some of its best ammunition is supplied by alleged quotations from Rev. Bowdler, as follows:

"We are well financed. Our lobby at Washington will be an effective and experienced one. We shall agitate and spread propaganda, and cause yet is to write unceasingly to their representatives in Congress, until no congressman will dare refuse to vote for our measures."

"We propose, by legislation to make it easier for people to go to church. We shall oppose golf, tennis, baseball, football, and other sports, even if purely amateur and void of financial cost to those watching or taking part."

"We shall seek to restrict sale of gasoline for pleasure automobiles, and urge other measures that will stop Sunday automobile and joy riding."

"Excursion steamer rides on Sunday will be opposed by us on the ground that they are unnecessary to the moral welfare of Christian America."

"I see no reason why public libraries or art galleries should remain open on Sunday. We shall seek to close them."

REFLECT OFFICERS OF MASTER BUILDERS CLUB

Old officers of the Master Builders Association were reflected at a meeting, Tuesday evening in the club rooms in the Insurance building. J. A. Leonhardt was reflected president; Robert Schultz, vice president; Charles Hume, secretary; Louis Walt-

man, treasurer and Herman Hooper, trustee.

A lunch and card party for members followed the business session. Schatopf and skat were played. Herman Schultz won the prize at skat.

LONDON DESERTS ETON CROP

Women of London are deserting the Eton crop, the popular style of head-dress since the early days of the bob. All the ultra phases of the style have gone, and the number of the more conservative conceptions are disappearing. The rumored reason for the change — men are paying more attention to girls who have long tresses.

MOTHER

A Cross, Feverish Child is Bilious, Constipated

Every mother realizes, after giving her children "California Fig Syrup," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

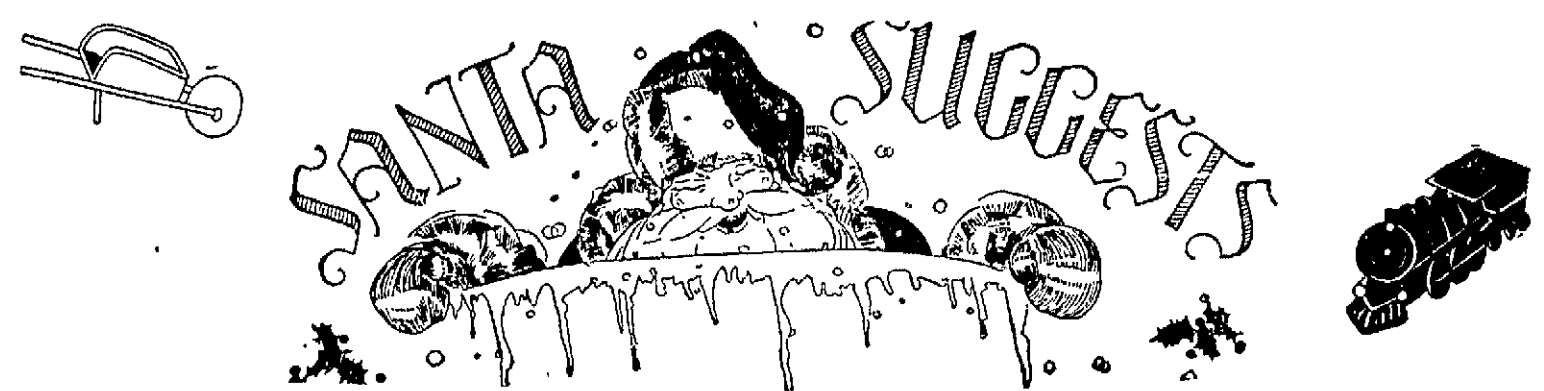

When cross, irritable, feverish, or when the tongue, mother! If coated, give a teaspoonful of this harmless, "fruity laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When the little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Fig Syrup" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a bottle of "California Fig Syrup," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeiters sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."

CHICAGO MAY AGAIN ENTERTAIN HEAVYWEIGHT TITLE GO

Windy City Has Chance For Struggle If Tunney Really Breaks With Tex

Obstacle to Battle Is That Midwest Fans Are Tired of "Rimside" Seats

Chicago (AP)—Chicago is looking for the next heavyweight championship fight in spite of a few apparent obstacles and the generally accepted view that this particular brand of flesh-hitting seldom strikes twice in the same place for business reasons.

Much of the prospect of securing another title bout on the embattled soil of the Windy City is built upon the prospect of a break between Tex Rickard and Gene Tunney, coupled with the champion's expressed desire to fight at least twice in defense of his crown in 1928.

There are lots of "ifs" in this situation. If Tunney sticks to his contract with Rickard and fights only once next year, the scene is more than likely to be New York or perhaps Philadelphia. His opponent in a one-year program, probably to be Jack Dempsey, in fact most of the signs point to a definite unwillingness at present having been reached for the third edition of this celebrated feud.

But if Tunney breaks away from the New York promoter or otherwise carries out his desire to have more action, as a means of keeping in trim, Chicago may again furnish a battle-ground.

The suggestion is for instance, that Tunney meet some one of the leading contenders, Jack Johnson, Tom Heeney, Paulino or Jack Sharkey, in Chicago as a "tune-up" for a grand finale with Dempsey, providing of course, there is no hitch in the "tune-up" process.

FANS TIRED OF \$40 SEATS
The notion prevailed after the battle here that it would take some time for middlewestern fans to recover from the shock of \$40 "rimside" seats that had barely a halting acquaintance with the actual ring-side or to get out the telescopes again for a long distance glimpse across the city from the now famous "rimside" location, where it cost \$5 for the experiment of seeing what could be seen at an eighth of a mile from the fight.

Perhaps, as some of the experts hold, the enthusiasm can be worked up again, in spite of the skeptics.

APPLETON CHEVS WIN FROM NEENAH, 37-29

Substituting at the last moment for the two River boys at basketball team which was stuck in the big snowdrifts between that city and Neenah while on their way to Neenah Wednesday evening, the S and O Chevrolets of Appleton won their second straight game of the year and their second over the Neenah men. The final score was 37-29 for the Appleton men who had beaten the Neenah Monarchs Yellowjackets without a run at forward, 39-27 on Thanksgiving night.

Hillman was missing from the Appleton lineup but two new players, Pete Koll, former Kimberly Clark shoeing ace and Bill Curran, old Marquette university center who was to play with Two Rivers but was the local player to get to Neenah, were with the local crew. The center Appleton players were Jacobson, Zussman, Basing and Brown. The scoring was evenly divided all of the local cagey several markers.

Card Coaches Complete Six Athletic Schedules

Madison—Six complete athletic schedules for the winter season were completed by the Wisconsin Athletic Union, which is the governing body for all winter sports in the state. The schedules include basketball, football, hockey, ice skating, and other winter sports. The schedules are designed to provide a comprehensive program for athletes in the state, and to ensure that all athletes have the opportunity to compete at a high level. The schedules are also designed to provide a fair and equitable competition for all athletes, and to ensure that the results of the competitions are accurate and reliable. VALLEY CONFERENCE EXPECTED TO BREAK WITH STATE GROUPS

Fans of Valley See Break as Result of Actions Taken at Fondy Meeting

When representatives of the eight Fox River Valley conference schools, Manitowish, Sheboygan, Marinette, Appleton, Oshkosh, Fond du Lac and West Green Bay, reiterated their stand not to participate in district or state athletic tournaments of any kind and followed it a few moments later by preparing a petition to the Wisconsin State Intercollegiate Athletic association for permission to hold the Valley track and field meet on the same day as the annual state meet at Madison, many fans in the Valley took it as a sign that the conference will make an attempt next year to completely divorce itself from programs planned by the University of Wisconsin and the W. I. A. A.

In spite of pressure brought to bear from outside sources and suggestions from state officials, the conference stuck to its guns and will continue its plan of non-participation in district and state meets started two years ago. What is thought to be the final step toward severing relations in the near future with the state athletic bodies was the track petition, as it is called, the Valley conference will be isolated from state meets in the three major high school sports, football, basketball and track. Though few valley men ever entered the state track meet in recent years, it still was the last event in which the eight of the largest and most important schools, as far as athletics are concerned, in the state were directly connected with the W. I. A. A.

JIMOS GETS 256 MARK TO HELP TEAM TO WIN

Hooper Cigar punners took two games of a match with the Retson-Jimos Hat Cleaners Wednesday evening on the Elk alleys, but lost the match on total pins in the final game, the loss being 208 sticks. The Cigars took the first battle by 21 pins and the second by 27, but in the final fray the R J crew rolled a 279 score while the Cigars rolled a low 729, to give the Hat Cleaners a 256 victory and an easy win in the entire match.

The big feature of that 279 third game for the Hat Cleaners and also the big feature of the match was a 256 game turned in by A. Jimos, easily high game of the match. Jimos also had high series of 610, added by the big game. For the Cigars R. Stark had high game of 218 and R. Schultz had high series of 545. Other 200 games were rolled by Schultz of the Cigars, 202; H. Kositske of the Hat Cleaners, 201; and W. Gressenz of the Hat Cleaners, 202.

RIPON CAGERS FACE LUTHERANS IN OPENER

Ripon—Reopening basketball relations just as the Wisconsin-Illinois conference is threatened with destruction Ripon college and Northwestern of Watertown will play the first cage game of the 1927-28 season here Dec. 14 according to an announcement by Coach Russell Rupe.

Although the Lutherans have faced Ripon's Redman on the gridiron annually for many years, this will be the first time that the two schools will see action on the court. Whether or not sports relations will continue next season will depend largely upon the outcome of the W-I meeting of coaches on Saturday, Carl H. Dehning, athletic director at Ripon college declares.

WILKES CAGERS TO OPEN SEASON TONIGHT

Waukegan—The local basketball team will open their season tonight at 8 o'clock at the Waukegan Y. M. C. A. building. The team will be coached by Coach H. J. Smith. The team is expected to be a strong one, and will be a good representation of the city.

24 CARD GRIDMEN RECEIVE AWARDS

Six Members of X-country Champs Also Rewarded for Work

Madison—Twenty-four varsity monogram were awarded to members of the Thistlethwaite Wisconsin football squad at the December meeting of the athletic council, while six "V's" were voted to the barriers who captured the Big Ten cross country championship for the fourth consecutive time.

The Badger gridgers receiving sweaters and letters are Capt. Edwin Crofoot, Mason City, Iowa; Stan Bish, Green Bay; Gordon Connor, Marshfield; Don Cameron, LaCrosse; Frank Cusmer, Chicago; James Davies, Milwaukee; George Von Bramer, Chicago; Rube Wagner, St. Paul, Minn.; John Gottstein, Madison; George Hotchkiss, Oshkosh; Neil Hayes, Mooseheart, Ill.; Joe Kresky, Marinette; William Kotelaar, Delavan; Herman McKasle, England, Ark.; John Wilson, Milwaukee; Ebert Warren, Akron, Ohio; John Parks, Muskegon, Okla.; Eugene Rose, Racine; Harold Reibholz, Portage; Lewis Smith, Prospect, Ohio; Larry Shoemaker, Herrin, Ill.; Robert Sykes, Wheaton, Ill.; Mike Welch, LaCrosse, and Ed Ziese, Milwaukee.

VALLEY BOYS MANAGERS
Managers Keith Demmon and Norman Baker of Milwaukee were both awarded their monogram sweaters. Kendall Cady Green Bay, was appointed varsity football manager for 1928, with John MacNichol of Oshkosh as his assistant.

Of the two dozen regulars on the 1927 Badger eleven, seven were seniors and will be lost to Coach Thistlethwaite, an added half dozen of reserves will also graduate in the spring. Four men were awarded the "aWa" having fallen short to completing the requirements for the major letter, namely: Pat Mohardt, Gary, Ind. C. E. Conner, Madison; Norman Wigdale, Wauwatosa; and Roger Stevens, Kenosha.

Upon Coach Tom Jones' recommendation the following cross country champs were voted the "V" sweaters: Capt. John Zola, Two Rivers; John Potaja, Ahmesek, Mich.; Charles Bullamore, Kenosha; William Burrows, LaCrosse; Willard Wall, Eau Claire; Delmar Park, West Allis; Henry Stevens, manager, Madison; Mark Hobart, Monmouth, Ill., was promoted to act as senior cross-country manager for next fall, and Don Jones, Bismark, N. D. was made track manager. Twenty-two All-American squad members were voted sweaters and A-27-A awards for football, on the recommendation of Coach Lowman.

MICHIGAN, CHICAGO TO PLAY FIVE-YEAR SERIES

Chicago (AP)—The Universities of Chicago and Michigan whose football rivalry in the early years of the twentieth century became so sharp that it even threatened to break down relations were broken, have arranged a five-year series, starting at Ann Arbor, Mich., in 1929. Coach Stagg of Chicago, in announcing the new contract, explained it was the result of a mix-up in schedules involving the Michigan, Harvard and the Chicago-Pennsylvania home and home games for 1928-29. Starting the Michigan-Chicago series in 1929, he explained, both teams have made room for the games with eastern teams.

MARQUETTE CAGERS TO WEAR WHITE OUTFITS

Milwaukee—Instead of gold or blue basketball for this season, the 1927-28 Marquette basketball squad will be attired in white, according to announcement of Student Manager George Cunningham. Both the jerseys and trunks will be white, with blue and gold lettering on the jerseys and trimmings of the same colors on the trunks. The outfits were selected by Coach Frank J. Murray who not only expects his team to look like a team but to play in the same manner. The new outfits will be worn in the home game of the Hilltop basketball.

HORTONVILLE BOYS TAKE TWO BATTLES

High Cagers, City Team Beat Little Chute Quinlets

Hortonville—The Hortonville high school and city basketball teams won both their games at the Hortonville Opera house Tuesday night. The high school won the first game of the evening from the Little Chute high school by a score of 19-7. The fast passing and excellent team work of the Hortonville boys was the main feature of the game. The score at the end of the half was 11-1, in favor of Hortonville.

CARDINALS FAVOR TWO-TEAM SYSTEM

Badgers Will Play Nodaks, Cornell Teams on Oct. 13

Chicago—(AP)—Plans for doubleheader or varsity football next fall have developed a decided split of opinion in Western Conference ranks.

As matters stood Thursday, four of the Big Ten are ready to put two teams into competition in 1928. In addition to Michigan, which took the initiative in this novel move, Wisconsin, Iowa and Illinois have decided to give the scheme a tryout.

Taking the first actual step to make the plans effective, Wisconsin announced it had scheduled a doubleheader for next Oct. 13, when Badger eleven will play North Dakota State and Cornell (Iowa) college on the same afternoon at Madison. The Badgers also forwarded a proposal to Michigan for a game with the Wolverine "Junior Varsity" at Madison Oct. 27, the date on which the first string outfits are slated to battle at Ann Arbor.

Of the other schools, Purdue and Northwestern, through their head coaches, have come out strongly in opposition to the plan.

In the opinion of Jimmy Phelan, head coach at Purdue, the innovation would require more coaches, more equipment and "add nothing but grief" to football.

More emphatic, Head Coach Dick Hanley of Northwestern asserted the idea would disrupt the "Big Ten" if made compulsory. Northwestern, he asserted, was not equipped to carry it out, lacking sufficient material. Furthermore, Hanley regards the plan as likely to promote over-emphasis rather than to bring about any benefits.

Chicago, the veteran A. A. Stagg believes, also would not have sufficient material to put two varsity teams on the field on competition. Ohio State, Minnesota and Indiana, the remaining conference schools, have taken no decided position.

Illinois, in authorizing games for a "second team," indicated it would pursue the policy only to the extent of providing a home attraction on Saturdays when the big team is on foreign fields. Iowa takes a similar view.

RISKO WHIPS PHIL SCOTT IN HEAVY GO

Cleveland Boy Advances Step Nearer Bout With Tunney

Cleveland, O.—(AP)—Johnny Risko, Cleveland contender for Gene Tunney's heavyweight crown, Thursday was a step nearer his objective in the process of elimination for determining a challenger owing to his victory Wednesday night over Phil Scott, heavyweights champion. They fought in public hall here before a capacity crowd of 12,000 spectators.

Risko forced all the fighting and scored two knockdowns to win Patry Haley's decision. A left jab and a strong push put Scott on the floor for a count of nine in the seventh after a close exchange which brought an expression of pain from him and a claim of "Foul" from his corner.

Scott plans to return at once to England without engaging in any more fights but to return to America next spring for a stay of several years, he said Wednesday night. He expressed disappointment at the decision against him and said he expected to find Risko a better boxer than he proved to be.

Cleveland — Lope Tenorio, Philippines, won a technical knockout over Stanislaus Loayza, Chile (7). Dominick Petrone, New York, won from Willie Smith, European banlam-weight champion (10).

New York — Benny Touchstone, Florida, knocked out Tiny Jim Herman, Omaha, Neb. (3). Ted Sandwina, Sioux City, Iowa, stopped Pietro Cori, New York (5).

BELOIT EXPECTS GOOD CAGE SQUAD

Large Amount of Material Offsets Lack of Veterans

Beloit—(AP)—Despite the fact that he was not a regular around which to build his basketball squad this year Coach Roy Eubler of Beloit college is looking forward to a good season, with a plentiful supply of material.

On the squad, which is now having workouts every day behind closed doors, there are several men who played considerably last season, enough to win letters, but there is not a man who played regularly throughout the season. A good crop of sophomores who showed up well last year, added to which is the return of captain Cleo Myers, Mount Carroll, Ill.; Kenneth Dupee, Freeport, Ill.; and Carl Thostenson, Broadhead, Wis., have brightened Eubler's prospects for a good team, however, he believes.

The schedule this year starts off with some of the hardest clashes, Coe, Cornell, and Knox being the opponents in the first three games. The schedule follows:
Jan. 6, Coe at Cedar Rapids, Ia.; Jan. 7, Cornell at Mt. Vernon, Ia.; Jan. 13, Knox at Beloit; Jan. 29, Carroll at Waukesha; Jan. 31, Lake Forest at Beloit; Feb. 11, Ripon at Beloit; Feb. 17, Hamilton at St. Paul; Feb. 18, Carleton at Northfield, Minn.; Feb. 24, Carroll at Beloit; Mar. 2, Ripon at Beloit; Mar. 3, Lawrence at Appleton.

RIPON PREPARES TO ENTERTAIN TRACKMEN

Ripon—Ripon college will be host to the most pretentious athletic event in its history next spring when nine of the foremost institutions of the central states come here to participate in the annual Midwest conference track tournament, Coach Carl Doehling announced upon returning from a Chicago meeting this week.

This will be the first time since Ripon joined the league, that it has entertained its fellow-members, and probably the last time for nine more years. The meet rotates until it has gone the rounds for each college. Under and field stars to participate here next spring, will represent Carleton, Knox, Monmouth, Hamline, Cornell, Coe, Beloit, Lawrence and Ripon.

A victory for Coach Doehling's Red-men would mean the second in only five years of Midwest conference membership, three Ripon stars having copied the trophy in 1924. Ripon college holds more track records in the nine-college loop than any other member.

FRANK SWACKER—Secretary to the District Attorney.
CURRIE—Vance's valet.
S. S. VAN DINE—The Narrator.

THIS HAS HAPPENED
Vance eliminates Miss St. Clair as a suspect and prevents Markham from arresting Leacock when Pfyfe's statements strengthen the case against the captain. It is brought out that Pfyfe had told Alvin Benson's name to a check. Paula Banning admits to Vance that she had loaned her jewels to Pfyfe to put up with Benson as security. Heath brings word that Leacock has confessed, and Vance laughs.
NOW BEGIN THE STORY
CHAPTER XLII
Vance, as heretofore, was careful to reveal nothing, but in the end of his sheer determination cried his point, and Markham requested Heath to keep his own counsel until the next day.
The Major, by a slight nod, indicated his approbation of the decision.
"You might tell the newspaper lads, though," suggested Vance, "that you'll have a ripplin' sensation for 'em tomorrow."
Heath went out, crestfallen and glowering.
"A rash fella, the Sergeant—so impetuous!" Vance again picked up the confession, and pursued it.
"Now, Markham, I want you to

went to dinner with Mr. Benson that night?"
"I followed them to the Matsellies."
"And then you went home?"
"Yes."
"What made you go to Mr. Benson's house later?"
"I got to thinking about it more and more, until I couldn't stand it any longer. I began to see red, and at last I took my Colt and went out, determined to kill him."
A note of passion had crept into his voice. It seemed unbelievable that he could be lying.
Vance again referred to the confession.
"You dictated 'I went to 87 West Forty-eighth street, and entered the house by the front door' . . . Did you ring the bell? Or was the front door unlocked?"
Leacock was about to answer, but hesitated. Evidently he recalled the newspaper accounts of the housekeeper's testimony in which she asserted positively that the bell had not rung that night.
"What difference does it make?" He was sparring for time.
"We'd like to know—that's all," Vance told him. "But no hurry."
"Well, if it's so important to you I didn't ring the bell, and the door wasn't unlocked." His hesitancy was gone. "Just as I reached the house Benson drove up in a taxicab."
"Just a moment. Did you happen to notice another car standing in front of the house? A gray Cadillac?"
"Why—yes."
"Did you recognize its occupant?" There was another short silence.
"I'm not sure. I think it was a man named Pfyfe."
"He and Mr. Benson were outside at the same time, then?"
Leacock frowned.
"No—not at the same time. There was nobody there when I arrived. . . I didn't see Pfyfe until I came out a few minutes later."
"He arrived in his car when you were inside—is that it?"
"He must have."
"I see. . . And now to go back a little. Benson drove up in a taxicab. Then what?"
"I went up to him and said I wanted to speak to him. He told me to come inside, and we went in together. He used his latch-key."
"And now, Captain, tell us just

what happened after you and Mr. Benson entered the house."
"He laid his hat and stick on the hat-rack, and we walked into the living-room. He sat down by the table, and I stood up and said—what I had to say. Then I drew my gun, and shot him."
Vance was closely watching the man, and Markham was leaning forward tensely.
"How did it happen that he was leading at the time?"
"I believe he did pick up a book while I was talking. . . Trying to appear indifferent, I reckon."
"Think now: you and Mr. Benson went into the living room directly from the hall, as soon as you entered the house?"
"Yes."
"Then how do you account for the fact, Captain, that when Mr. Benson was shot he had on his smoking jacket and slippers?"
Leacock glanced nervously about the room. Before he answered he wet his lips with his tongue.
"Now that I think of it, Benson did go upstairs for a few minutes first. . . I guess I was too excited," he added desperately, "to recollect everything."
"That's natural," Vance said sympathetically. "But when he came downstairs did you happen to notice anything peculiar about his hair?"
Leacock looked up vaguely.
"His hair? I—don't understand."

Gave Up Her Career To Aid Engineer Husband

Palo Alto, Calif., (P)—By technical training Mrs. Herbert Hoover was qualified for her partnership in the career of one of the world's foremost mining engineers and citizens.
She was the first woman to complete a course in metals and geology at Stanford University. But she gave up a career in her own name to become the wife of the first student enrolled at Stanford and one who was graduated as a mining engineer in the institution's first four-year graduating class.
Mrs. Hoover has kept step with her husband in his advance to the top of his profession, and 13 years after their marriage her technical knowledge was of value to him in the translation of Agricola's De Re Metallica, one of his principal publications, in which she collaborated.
Mrs. Hoover accompanied Mr. Hoover on many of his trips to out of the way places of the world to which his duties as a mining engineer or in the public service have called him. She is almost equally adept at trout fishing. When not in Washington she likes nothing better than to strike out into the wilds of nature and sleep in a blanket.
The personal parallel between the two extends in a measure also to the ability to organize and direct. Mrs.

NO CLEWS FOUND IN SCHOOLHOUSE THEFT

No clew has been found to the jobbers who broke into McKinley and Richmond schools, Sunday night stealing approximately \$12, according to George T. Prim, chief of police. At McKinley school approximately \$10 was taken from a cabinet safe, to which entrance was gained by breaking off the combination. After breaking open a drawer in the desk in one of the rooms at Richmond school, \$1.95 was secured by the marauders. Detective John Duval is investigating the robberies.

JACK LOCKWILL BACK AT ROCKLAKE

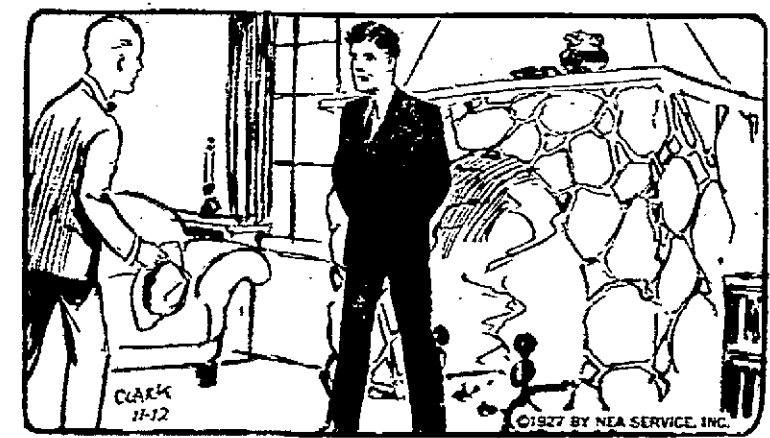

Through the middle of the toppling plotters Jack went. He tore open the door of the old foundry and raced away into the darkness, baffling pursuit. But not until they had reached the locked door of Hampton House did the pursuers give up. Then a light gleamed in Jack's window, and he looked out. "Good night, Antis!" he called down softly. "Sleep sweetly."

Early the following day, another notice appeared on the Cym bulletin board. It was unsigned, unusual, and somewhat puzzling to the most of those who read it.

Jack Lockwill was alone in his room when Cub Maddox walked in and took a paper-wrapped package from beneath his coat. "Here they are," said Cub. "Gimme that film."

"Yes, they're all here," said Jack, after he had inspected the contents of the package. Then he handed the film to Maddox. "But I'm sorry Hargon didn't bring them himself. I know I'd have enjoyed a little chat with him." Cub sullenly left with the film. Lockwill was standing before the fireplace when Darling returned. "Well, I got them back, Willie," he said. The Browns were expecting a visit from their pastor. It was the custom of the latter to ask small children three questions — their name, age, and to test their knowledge of right and wrong, where had little children went. Little Mary Brown had received full instruction from her parents and was quite ready to answer the questions.

The minister arrived and asked: "What's your name, little girl?" Mary was ready to display her intelligence: "Mary, sir, five years old, go to hell!" — Tit-Bits.

CONFERENCE PROVED REFORMERS WRONG

Harwood Tells of Compliments Received on Boys Meeting Held Here

Appleton's youth will never go to the "bad" as is being predicted by some reformers, as long as it is possible to gather boys together for a day of conference, such as was held here over the Thanksgiving and 1st J. J. Harwood, president of Appleton Y. M. C. A., told chairman and members of the 15 committees of the state conference at a complete dinner Tuesday evening at the Y. M. C. A. Harwood declared that the data shown displayed by the delegates was proof of his statement concerning Appleton youth. He told of compliments received last week while attending a Y. M. C. A. state board of directors meeting in Milwaukee on the conference here. W. H. D. D. Wines, state boys work secretary, Guy V. Aldrich, state secretary, Ray A. Powers, state high school secretary, and other prominent association officials also saving Appleton entertained the conference the best it has ever been offered.

Both of the other speakers of the evening, John W. Pugh, boys work secretary, and Ben J. Roban, city superintendent of schools and executive chairman of the conference, a host of letters of appreciation were received from speakers, association secretaries and even the visiting boys themselves praising Appleton as a city and the entertainment and treatment they received while guests here. All expressed willingness to return. Mr. Pugh and Mr. Roban thanked the committee leaders for their work on the conference and Mr. Pugh again quoted "Dead" Wines as praising the Appleton workers highly because of the little work left for the state men when they arrived here.

CHAMBER HAS COURSE IN FREIGHT CLASSING

Twelve shippers and shipping clerks of Appleton attended the third of a series of classes on freight classification, held Tuesday evening at the chamber of commerce under the direction of Roy G. Wort, traffic manager of the chamber. The men discussed rules of Consolidated Freight Classification, particularly in regard to freight consignments and mixed carloads. Local cases were settled for an individual shipper, who presented a problem of his concern by the entire group after thorough discussion of all angles of the case and the men plan to follow this method, disposing of local problems as they come under the microscope.

Any shipper shipping clerk or resident of Appleton interested in freight matters can attend the classes which meet on Tuesday evenings at the chamber office according to Mr. Wort. Any problems will be worked out for him by the group.

Little Green Capsule Stops Rheumatic Agony

One Every Hour for Ten Hours and Relief is Almost Certain. Often in Five Days, Even the Tenderest is Gone.

Every once in a while a real discovery is made in medical history—one that benefits a host of unfortunate people.

And now it's the patient men and women who have long suffered the torturing rheumatic agony of pain racked, swollen joints whose cure has come—who have drawn the price.

The fame of the little green capsule, because of its ability to speedily stop the terrible rheumatic pains that make life almost unbearable, is rapidly spreading all over America.

You go about conquering your rheumatic rheumatic pains in a different way—a knock-out way. Every hour the first day you take one little green capsule for ten hours—then rest.

The second day you take one every four hours for 12 hours. The third day you take one every three hours for 12 hours. The fourth day you take one every two hours for 12 hours. W. C. T. U. Program of 1928 Includes Canvasses and Giving Information

Waupaca—With their slogan "Hold Fast Wisconsin" members of the state Women's Christian Temperance association are planning to campaign to get out the vote, in spite of the unions and secure new members.

The campaign which will start in January 1928 and continue through the year will consist of rallies, county rural schools instead of St. Mary's school at Black Creek as was stated in Tuesday's Post-Crescent.
